ANNUAL REPORT
OF THE
TOWN OFFICERS
OF THE TOWN OF
EASTON

FOR
1994

DEDICATION

ROBERT KEEFE

This year's Town Report is dedicated to the memory of Bob Keefe. He was a steady supporter of senior citizens, and a good friend to all who were blessed to know him. We will miss his straightforward frankness. We will miss his strong opinions and the lively discourse he could always be depended on for.

Most importantly though, we will miss his genuine caring for others, and the warmth of his smile.

ANNUAL REPORT
OF THE
TOWN OFFICERS
OF THE TOWN OF
EASTON

FOR
1994

TOWN OF EASTON

Incorporated	1725
Area of Town	29.04 Square Miles
Population	19,807 (1990 Federal Census) 20,834 (1994 Town Census)
Form of Government	Town Meeting
Total Assessed Valuation as of January 1, 1994	$1,077,580,451
Councillor - Second District	Kelly A. Timilty, Canton
State Senator - Second Plymouth & Bristol District (Precincts 1, 2, 4, 5)	Michael C. Creedon, Brockton
Norfolk Bristol & Plymouth District (Precincts 3, 6)	William R. Keating, Sharon
Representative in General Court- Eleventh Plymouth District (Precincts 1, 2A, 4, 5)	Louis F. Angelo, Brockton
Eighth Plymouth District (Precincts 3, 6)	Jacqueline Lewis, Bridgewater
Representative in Congress- Ninth Congressional District	John Joseph Moakley, Boston
Fourth Congressional District	Barney Frank, Newton
United States Senators	John F. Kerry Edward M. Kennedy
Town Meeting	Second Monday in April
Town Election	Fourth Monday in April

IN MEMORIAM

JOSEPH E. BRADLEY

BELMIRA C. PAULINO

ROBERT KEEFE

EMIL V. LUNDGREN

KATHRYN E. HEALEY

In recognition of services of these dedicated citizens who performed their civic duty with enthusiasm and pride, the citizens of Easton hereby give formal expression of its grievous loss and does hereby note in its records their passing from this life and extend to their families their heartfelt sympathy.

EASTON TOWN OFFICERS
1994 - 1995

ELECTED OFFICERS:

	TERM EXPIRES
MODERATOR	
Richard C. Dailey	1997
SELECTMEN	
Daniel W. Churchill	1997
Jeffrey L. Tufts	1997
William D. Hardin	1996
Patricia F. Hunt	1995
Frederick W. Clark	1995
ASSESSORS	
John A. Keach, Jr.	1997
Gerard S. Marsan	1996
Charles C. Willis	1995
SCHOOL COMMITTEE	
Carla A. Goodwin	1997
Thomas E. Clark	1996
Caroline S. O'Neill	1996
Michael K. Manning	1995
Lennart K. Altieri	1995
BOARD OF HEALTH	
William Grimes	1997
David E. Gardner	1996
Robert J. Kane	1995
HOUSING AUTHORITY	
Sylvia C. Gardner (State Member)	1998
Jerry Fitzgerald	1998
Daniel M. Crane	1997
William B. Kirkpatrick	1996
Robert J. Keefe (Deceased 12/25/94)	1995
FINANCE COMMITTEE	
Bruce E. Baker	1997
David W. Betzer	1997
Michael J. Boyle	1997
Robert L. Hicks	1996
Gloria J. Stafford	1996
Allen R. Barron (Resigned 1/17/95)	1996
Dana Zaiser	1995
David W. Brown	1995
George M. Turner, III	1995
Clifford Skip Davis, Jr.	1995
John J. Kent	1995

APPOINTED OFFICIALS:

TOWN ADMINISTRATOR
Kevin E. Paicos

TOWN ACCOUNTANT
Ernest R. Camara

TOWN ATTORNEY
Martyn H. Lincoln

TOWN CLERK
Janet T. Andrus

TOWN CLERK EMERITUS
Esther C. Anderson

TREASURER AND COLLECTOR
Cynthia M. Curry

ASSISTANT TREASURER AND COLLECTOR
Pamela J. Berglund

ASSISTANT ASSESSOR
Anne M. Carney

SCHOOL DEPARTMENT:
William J. Simmons, Ed. D., J.D., Superintendent
Judith M. Frederick, Ed. D., Assistant Superintendent
John J. Walsh, Administrative Assistant to Superintendent

DEPARTMENT OF PUBLIC WORKS:
Paul Wollenhaupt, Director
Edward C. Jacobson, Superintendent of Streets
Wayne P. Southworth, Superintendent of Water Division
John J. Marsh, Assistant Water Superintendent
Richard Hayes, Superintendent of Central Maintenance
Peter Huie, Engineering Aide

FIRE DEPARTMENT:
Phillip E. Blye, Chief and Forest Warden
Norman F. McNeil, Deputy Fire Chief

POLICE DEPARTMENT:
Stanley P. Bates, Jr., Chief
John D. Melin, Acting Animal Control Officer

CONSTABLES:

Jerome Zeidman - 1995
James A. Carey - 1996
Arthur C. Woodworth - 1997
Michael X. Wynn - 1997
Carol Ann Augustyniak - 1995
David E. Gardner - 1997
Harold L. March - 1998
George A. Mather - 1995
Michael Bombas - 1996
Irving M. Gershman - 1997
Jerold Loomis - 1998
Roger R. Guerette - 1997
Gene F. Dalton - 1997

CIVIL DEFENSE
Donald S. Winship, Jr. - Director

BUILDING DEPARTMENT:
John A. Pires - Inspector of Buildings and
Zoning Enforcement Officer
Wallace M. Fulcher - Local Inspector
Albert K. Greiner, Wiring Inspector
John F. Amorim, Assistant Wiring Inspector
Robert Govey, Gas Inspector
John A. Pires, Sealer of Weights and Measures

BOARD OF HEALTH:
Wade D. Saucier, Director
John D. Melin, Animal Inspector and Milk Inspector
Daniel A. McNeill, Plumbing Inspector

DEPUTY MODERATOR
John A. Keach, Jr.
John F. Creedon

VETERAN'S AGENT
Dolores M. Kent

APPOINTED BOARDS AND COMMITTEES:
(Arranged Alphabetically)

AMES LONG POND COMMITTEE

Kenneth Wood	Edmund C. Hands

John F. Hurley

1994 ANNUAL REPORT OF

THE BOARD OF SELECTMEN

To the Citizens of Easton:

In April, 1994, after the re-election of Jeffrey Tufts and the election of Daniel Churchill, the Board was reorganized with Patricia Hunt as Chairman and Jeffrey Tufts as Clerk.

During 1994, our work continued on labor negotiations with all Town labor unions. Settlements were reached with Police, Fire and DPW bargaining units. The bargaining process was extremely slow, but long-term results were in the forefront of the Board's decisions. The Board made significant progress toward joint civilian dispatch for the Police and Fire Departments. Additionally, all Easton employees faced a change in health benefits this year. The Selectmen and Town Administrator spent a great deal of time during 1994 to ensure that all employees would be treated fairly with their new health plan. We feel that both the Town and its employees will benefit from the services provided by the new health care system and the lower costs of these services. The Board of Selectmen also completed negotiations with Town Administrator Kevin Paicos on a successor three-year contract which commenced in July, 1994.

Over the past few years, through the Bristol County Retirement Board, we have begun to address the unfunded pension liability of the town. We have also dedicated ourselves to the establishment of a realistic reserve to fund future increases in our pension costs. We have continued our support for funding of the stabilization fund, the establishment of an unemployment insurance fund and the conservation fund, hopefully, to fund future conservation land purchases. The Board has endeavored to follow conservative fiscal practices and has avoided the temptation to spend reserves and nonrecurring revenue on operating expenses. We believe that future Boards of Selectmen will be thankful for the actions that this Board and the Town Administrator have taken now.

We continued to stress the concept of regionalization and shared services to solve some of our budget problems. As in past years, we entered into agreements with other towns for joint purchasing and sharing of equipment. We continue to explore new ways of cooperating with municipalities and other agencies for our mutual benefit. As in previous years, our loss control program has produced savings in workers' compensation and property liability insurance. Easton again this year received an award for outstanding performance in this area.

Easton is finally starting to benefit from its conservative decisions of recent years. The fiscal 1995 budget included restoration of some funding to programs that had been cut in previous years. We hope to continue these initiatives in the fiscal 1996 budget and seek greater utilization of outside funding sources, such as grant funding.

At our January Special Town Meeting, the citizens sent a strong message that the future of this community is something they want to determine. Funding for a professional growth management study was overwhelmingly voted. The study is just the beginning of our work on this issue. We will need to be resolved as a community to follow through with this matter until we collectively set a path for our future.

As always the success of Easton's local government is made possible by the dedication of its employees and department heads. Not to be forgotten is the supreme work performed by all the elected and appointed boards and volunteers. Private organizations, friends groups, service clubs, boosters, and non-profit groups should not be overlooked. Their dedication to specific goals and the work they tirelessly perform is what being a community is all about. We extend our appreciation and thanks to all those that made our job easier.

In the Selectmen's office, we would also like to acknowledge the efforts of the Town Administrator Kevin Paicos, Executive Secretary Shelly Meehan, Part-time Secretary Mary McCarthy and Interns Paul Boushell and Mark Rosania. Their help and guidance has allowed us to make decisions that steered the Town through 1994. The Selectmen would also like to thank Kathleen McDonald for her service to the Town of Easton as Selectmen, we all wish her well in her future endeavors.

It appears that Easton Town Government is becoming well known throughout the world. We had the pleasure of a visit one Saturday from an official delegation of the Parliament of the Republic of The Congo, Africa. Through an interpreter, we discussed our respective forms of government. It was also decided that sharing DPW equipment would not be convenient at this time. It was a most interesting year.

Respectfully submitted,

Patricia Hunt, Chair
Jeffrey Tufts, Clerk
Fred Clark
William Hardin
Daniel Churchill

1994 ANNUAL REPORT OF

THE BOARD OF ASSESSORS

To the citizens of Easton:

The following report is submitted herewith:

The Board of Assessors completed a state certified revaluation in December, 1994 for implementation for the fiscal year 1995 tax bill which was sent out in late December 1994. These bills reflected the estimated value of property in Easton as of January 1, 1994. To make sure that the revaluation was done in a fair and equitable way, the assessors statistically analyzed all sales that occurred in calendar year 1993 in order to estimate "market value" which is the criteria for assessment in Massachusetts. Once the Department of Revenue completed its review and certified that the town was assessing at "market value" the assessors were able to set the tax rate.

A SUMMARY OF THE RECAPITULATION SHEET FOR FISCAL YEAR 1995 IS AS FOLLOWS:

Assessed Value of Real Estate	$ 1,060,079,626.00
Assessed Value of Personal Property	17,500,825.00
Total Assessed Value of Real & Personal Property as of January 1, 1994	$ 1,077,580,451.00

Expenditures:

Appropriations	$	28,669,634.00
Misc.Snow & Ice,Tax Title,Offset Def.etc.		142,980.45
Cherry Sheet Offsets		31,620.00
State & County Charges		239,783.00
Overlay		354,250.04
TOTAL EXPENDITURES	$	29,438,267.49

ESTIMATED RECEIPT & AVAILABLE FUNDS:

State Receipts	$	5,302,511.00
Local Receipts		2,416,000.00
Offset Receipts		425,245.00
Enterprise Funds		1,632,958.00
Free Cash/Other Available Funds		1,773,718.00
TOTAL RECEIPTS & AVAILABLE FUNDS		11,550,432.00
NET AMOUNT TO BE RAISED BY TAXATION	$	17,887,835.49

Tax Rate = $17,887,835.49/1,077,580,451.00 x 1000 = $16.60

Charles C. Willis, Chairman
Gerard S. Marsan, Vice-Chairman
John A. Keach, Clerk

1994 ANNUAL REPORT OF

THE FINANCE COMMITTEE

The diminution process, decreasing the Committee's size from a peak of fifteen members, approved by the 1991 Town Meeting and modified by the 1993 Town Meeting, continues. The Finance Committee now has eleven members; the process will be completed following the 1995 Town election, three elected each year for three year terms.

The Committee has been reviewing the fiscal year 1996 Town Budget since early January. The expense side of departmental budgets is being closely studied. Personnel costs, the largest item in the budget, act largely as a fixed cost (with only overtime varying), now that contracts have been settled. Revenues, especially State aid, are somewhat uncertain; highway aid and revenues from the Lottery should increase, but the extent can not be ascertained at present. The rate of inflation continues to exceed the limit imposed by Proposition Two and a Half.

The Education Reform Act will have a decided impact on Town general government operations because it was only partly funded by the Commonwealth. This act, while it may lead to significant improvements in education, has effectively replaced the old apportionment formula between schools and general government with a state imposed mandate. The possibility of future amendments to Education Reform also adds uncertainties to the budgeting process.

Another consideration is growth. Population growth will lead to increased demand for public services that may be difficult to provide. Proposition Two and a Half limits taxation growth (the most significant revenue source) while Education Reform mandates per student expenses. Without an increase in commercial property development and without significant controls over growth the Town may find itself being squeezed to maintain the current level of services.

Ellen Clark and August Arns chose not to run for re-election in 1993, and Cornelius Linehan was not re-elected. David Betzer was elected, and we welcome him to the Committee. Allen Barron resigned in January 1995, subsequent to the calendar year covered in this report. We thank Ellen, Gus, Neil and Al for their years of service. We thank Shelly Meehan for her work as Secretary of the Committee.

Respectfully submitted,

Robert L. Hicks, Chairman
Allan R. Barron, Vice Chairman*

1994 ANNUAL REPORT OF

EASTON PUBLIC SCHOOLS
SUPERINTENDENT OF SCHOOLS

The enactment of the Education Reform Act brought many new responsibilities to the school system, and allowed funding allocations to be increased through additional State revenue for education. The creation of School Councils in each of Easton's seven schools brought parents, staff and community members together in the process of developing individual School Improvement Plans. The interactions between the School Committee and the individual School Councils provided the foundation for a comprehensive and cohesive implementation of school system policies and practices.

Despite the administrative, statutory and fiscal impacts evidenced by so many significant changes in one year, the Easton Public Schools are productive and actively involved places of learning. The events, achievements and issues which characterize the seven schools could consume the entire annual report booklet. Therefore, this summary can only touch on the details which make up the lives of the young people and the adults during the past year.

UNIQUE EVENTS
The elementary system completed its first year in a reconfigured structure approved by the School Committee. The Center and Lincoln Street Intermediate Schools housed students in the fourth to sixth grades and the Moreau Hall, North Easton Grammar and Parkview Schools housed students in kindergarten through grade three.

The Oliver Ames High School, after two years of self-study and preparation, was evaluated in October, 1993, as part of the NEASC ten-year accreditation process. The final report which was released by the Commission on Public Schools of NEASC in the spring, 1994, characterized Oliver Ames as a very fine high school and praised the dedication and work of both staff and students. Follow-up activities continued during the year in response to the recommendations of the New England Association.

MAINTENANCE OF PLANT
This year the school system completed the conversion from the use of oil to natural gas as the means by which we heat our seven schools.

While we have completed the repair/replacement of four roofs (Moreau Hall, the high school, the junior high school, and Parkview), the Four Roof Committee continued in the abatement of asbestos in our seven schools with the funds remaining from the Four Roof Project.

Work continued as well in upgrading the various school playgrounds. Through the leadership and initiative of a number of parent and community volunteers, a new playground was installed at the Lincoln Street Intermediate School. Also, with the assistance of the DPW, walkway construction was completed at the North Easton Grammar School.

Easton's Central Maintenance Department became fully staffed and began to assume responsibility for school and town related building and grounds maintenance issues. Mr. Richard Hayes completed his first full year in the capacity of Director of this department.

STUDENT ACHIEVEMENT

The class of 1994 was highly successful in reaching its goals. Over sixty percent were accepted by four-year colleges and over twenty percent gained admission to two-year institutions. Approximately ten percent elected to join the world of work, two percent were exchange students, and the remaining four percent joined the military.

This year there were ten Commended students in the National Merit Scholars program. Also, Easton's Academic Bowl Team won the honor as league champion of the Hockomock League for the second straight year.

The art department oversees many contests so that students have an opportunity to compete in a variety of arenas. These include Children's Museum/Boston Symphony Orchestra, NRT, Water Department, Boston Globe Scholastic Art Awards, Art All-State, and Wang Center. Major winners included Jenifer Fidler, Robin Leonard, Valerie Leavitt, Vedrona Hrsak, and Saskia Den Hartigh. Also, student work was exhibited at many locations throughout the year, including the high school's alumni art gallery, the "Welcome Mat" mural in the high school, the Fuller Art Museum, the Easton Marketplace, the Brockton Art Museum, and all of the elementary schools.

In music, the OAHS Marching Band had its most successful season ever, receiving a Gold Medal in New England NESBA and the Gold Medal and a five star rating in its division in MICA. Complementing the Marching Band is the newly formed Oliver Ames PEP Band. The Jazz Band won a Bronze Medal in the state finals, placed third at the Norwood Jazz Classic, won a silver Medal at the Southeast District Jazz Festival, and won a Gold Medal at the Gateway Festival in New Orleans. Two students, Jeff LaBelle and Kevin Williams, were named runners-up for outstanding soloist at the All-State Festival, while Todd Cohn and Robert Wheeler participated in the 1994 Lions All-State Band. For the sixth consecutive year the Easton Junior High School Jazz Band won a gold medal at the IAJE District Festival. The Show Choir hosted the Bay State Show Choir Festival, and won a Silver Medal at the Gateway Festival in New Orleans. TEMPO continues to provide much financial and emotional support.

At the elementary level, the All-Elementary School Orchestra premiered last spring with a tour of the five elementary schools, and the two intermediate schools each hosted a school band, orchestra, and chorus which performed during the holiday season at the respective schools.

In social studies, the AP scores for last year's seniors were excellent, with seven students scoring 5, ten scoring 4 and five earning 3's. Students were involved in Student Government Day, Mock Trial experience, a junior high school archeological dig, the two-day Hockomock Senate, Community Service, the Model United Nations, the Washington D.C. Close Up Program, the Massachusetts Student Advisory Board, and the Pvt. George F. Schindler Post of the VFW Voice of Democracy contest. Also, Barron Gillon was the local winner of the junior high school National Geography Bee, while Marguerite Harlow, Talia Vestri, and Leah Horne were recognized for their essays in conjunction with Easton's tercentennial celebration. The logo for the tercentennial was Mark Silva's of the Class of 1994.

The foreign language department continued its exchange initiative with France with it's eighth exchange program, and inaugurated a new exchange with Plasencia, Spain. Students won several Latin awards, including two Summa Cum Laude, and several Magna Cum Laude.

In home economics, students baked cookies for the Easton Firefighters Holiday Party, quilted a baby quilt for donation to a local hospital, prepared an exhibit at the OAHS Health Fair, prepared dinners for residents of a local shelter, sewed Valentine pillows for family members, served refreshments at our Science Fair, made Thanksgiving and Christmas dinners for senior citizens, and sewed new chair coverings and room curtains through staff member Donna Carter's "Fix-It-Shop."

In science, the award winning students of the high school and junior high school science fairs were entered into the regional science fair at Bridgewater State College. Students went on to display their projects at the state science fair held at MIT, and two students received awards at the state level.

The following Industrial Arts students received awards in the Dr. Thomas King Memorial Drafting Contest: Mechanical Drafting: Melissa Doherty, Scott Zagame, Donald Schwarz, and Owen Shea. Architectural Drafting: Kathy Kogan and Kathy Herlihy.

Representing the Business Department, Harry Soho won the State Award for Accounting and Business Mathematics in competition held at Framingham State College.

Twelve students participated in a new initiative with Stonehill College that provided full college credit for courses taken. It is expected that this program will be expanded during the next two years.

At the junior high school, students of the month were recognized at each grade level through a new program identifying those students who are good citizens and contributors to a positive atmosphere at the junior high.

PROFESSIONAL DEVELOPMENT

Teachers in all the elementary schools have continued their involvement in a number of initiatives this past year: Social Competency Training, Math Their Way, the Project Palms Summer Institute, Writing Process, Literature Based Reading and Whole Language, Cooperative Learning, Using the Macintosh Computers, Interdisciplinary Teaching, and Special Education Child Study and Inclusion Practices.

At the secondary level staff are involved in writing across the curricula, process writing, cooperative learning, conflict resolution, managing social issues in the classroom, teaching divergent student populations, inclusion, team teaching, technology and curricular integration, and providing for a socially and culturally diverse staff and student body.

FACULTY ACHIEVEMENT/ACTIVITIES

At the high school Arnie Casavant of the Art Department and Jaan Veenpere of the Industrial Arts Department collaborated to allow students from both departments to work cooperatively on computer projects through an integrative curriculum approach.

Flora Hall of the Business Department is overseeing the new Shadow Program, which enlists employers in Easton to allow students to shadow them for a day and learn about their particular profession. Jean Churchill and Cathy Williams provided support leadership for Easton's Future Business Leaders of America Club. Also, Jean Churchill, Flora Hall and Peter Gove pursued technology and school environment coursework during the year.

English Department staff worked closely with members of other secondary departments to foster the provision of an integrated curriculum approach. Elaine Hanson and Rosemary O'Reilly graded papers with social studies teachers to emphasize that writing crosses throughout the curricula, while Gail McCarthy team taught a Shakesperean play with another social studies teacher, Ann Drury. Pat Bailey, working closely with the Career Information Center, also provided students with support through the department's efforts to emphasize writing in all curricula areas.

Special mention is extended to Patricia Steiner for earning her MA and to Joan Nicholaides for completing her coursework for a masters degree. Also, Kathy Boyle of the Math Department received her Masters in Mathematics during the past year.

During the summer, Ann Marie Barry arranged a trip for junior high students to Quebec, Canada. Other members of the Foreign Language Department continued with coursework and/or travel to enhance their teaching, including Lucia Pins, Ron Riley, Margo Turcotte, Denise Sylvester, Mirella Cabral, Claire Planetta, and Fran Ialenti. The Council on International Education Exchange invited Fran Ialenti to give a seminar for new teachers to the Exchange Program.

Birute Silvia, Guidance Director, was chosen Counselor of the Year by the South Shore Guidance Association. The department once again co-hosted the very successful college fair with Stonehill College, and worked with Bridgewater State College to implement the Dual Enrollment program.

Through Industrial Arts, all repairs on equipment and furniture are done under the direction of Vinnie Mack and his students. Also, staff members completed a number of courses for professional improvement, including Bob Pratt, Marie Whalen, Vinnie Mack and Jann Veenpere.

Cathy Walton, Sherri Banchiere, Peg Lynch, Andy Miller and Kristine Ziniti participated in PALMS activities throughout the year, focusing on math and science integration activities and techniques. This was supplemented by teacher training provided through the Eisenhower grant.

Kathy Kenney, library/media chair, made use of several new technologies at the high school, including an electronic encyclopedia, and is completing the process of accessing the entire catalog system by computer.

Scott Trach completed his first full year as band director and Easton's excellence continued in all aspects of the Marching Band and Jazz Band programs. He is also Chairman of the Scholarship Committee for NESBA. Charlene Haugh is Manager of the 1994 Massachusetts All-State Chorus, and is also musical Director of the Stonehill College Chorus. Doug Anderson is the Massachusetts Coordinator to the National High School Honors Orchestra.

Hazel Varella provided an Advanced Placement training session for teachers at the annual Northeast Regional Conference on social Studies and was also one of the AP correctors at Trinity College this year.

Lois Miller and Bob Kass initiated a Conflict Resolution and Peer Mediation Program at the junior high school. Five staff and fifteen students were involved in three days of intensive training as part of this effort.

At the Center Intermediate School, Margaret Lynch, the Interim Principal, was appointed Principal at Center while Mary Ellen Toscano, the Interim Principal of the Parkview Shool, was appointed Principal of that school.

CURRICULUM/TECHNOLOGY

In keeping with the cycle of curriculum evaluation and revision, the systemwide Curriculum Coordinating Council, under the direction of Dr. Judi Frederick, began work on the first two curriculum frameworks received from the State: Mathematics and Science. Five standing curriculum committees are working under the direction of the coordinating council: Science, headed up by Michael Green; Reading/Language Arts/English, headed up by Sarah Gallahue and Mary Ellen Toscano; Math, headed up by Andy Miller and Doc Harrison; Health chaired by Jim Mitchell; and Technology, co-chaired by Duncan Oliver and Jean Churchill.

The Curriculum Coordinating Council also continued the task of examining Easton's overall curriculum relative to the statewide expectations set by the Education Reform Act. This task will be an on-going one, as the state is completing the development of curriculum frameworks in the various subject areas. In line with this, the role of technology in each of the curriculum areas is critical to the implementation of curriculum goals.

While the Easton Technology Task Force has produced the preliminary version of its long-range plan, outcomes at all grade levels, technology expectations for all Easton graduates, and equity among the schools in equipment and programs continue to be a major focus for the school system. With all schools now linked through the institutional loop, availability of programs and the ability to interact through telephone via satellite has greatly enhanced curricular opportunities for students.

EXTRACURRICULAR ACTIVITIES

At OA more than 50% of OA students participated in an athletic activity, with nearly 25% participating in music or drama.

A number of the 20 varsity sports teams were very successful this past year. The baseball team, girls soccer team and field hockey team all participated in the M.I.A.A. Tournament. The boys' cross country team won the Hockomock League Championship, and the varsity football team completed its best league finish since 1969. Over 25 athletes were selected to league all-star teams, and many others were recognized by area media outlets.

In addition to the varsity sports teams, students had the opportunity to participate in 9 junior varsity programs, 4 freshman programs and 7 programs at the Easton Junior High School. New programs completely supported by outside funding groups included the freshman field hockey team, the grade 7 and 8 girls' and boys' soccer teams, and a varsity swimming team.

Booster groups again made significant contributions to our athletic program. The Easton Gridiron Club provided new uniforms, both away and home. The field hockey, soccer, hockey and track groups also provided continued support to their programs. The Easton Police DARE Program established and staffed a weight room in the high school. In addition, Easton Youth Soccer was responsible for a fully automated sprinkler system covering the entire athletic complex at Oliver Ames High School. This was a very large undertaking and is a great improvement in our facility. In so many ways the Easton Community has truly come together in support of the Athletic Department of the Easton Public Schools.

CONCLUSION

The last year was again a time of change and transition within the school system. While we continue to be concerned about resources for the expectations that we have for ourselves and our students, we also continue to be grateful for our many blessings. We appreciate the support of the School Parent Advisory Councils, School Councils and F.E.E.E.; the hard work and dedication of the School Committee and the excellent and cooperative working relationships among all the members of the entire staff as well as between the schools and the town.

Respectfully submitted,

William Simmons
Superintendent of Schools

1994 ANNUAL REPORT OF

THE EASTON SCHOOL COMMITTEE

The Easton School Committee is pleased to submit the following report to the citizens of Easton.

At the Annual Town election in April 1994, Lennart Altieri was elected to fulfill the remainder of term of William Faria (deceased). Carla Goodwin was re-elected for a third term to fulfill a three-year term.

In May/June the Committee completed the first year of the establishment of School Councils as a requirement of the School Reform Act. School representatives presented goals and objectives established by each council for each school. The Committee accepted with some modifications the School Improvement Plans submitted by each council.

GOALS AND OBJECTIVES
The Goals and Objectives for our school were established by the School Committee for the academic year 1994-95, with the collaboration of the principals and the Superintendent. Goals included a continuation of trust and credibility in the school system to increase support for education in Easton.

Second, to continue long-range planning for the improvement of the Easton Public Schools' programs and facilities.

Third, to continue in the implementation of the 1993 School Reform Act and efficiently utilize resource available to the schools as a result of this legislation.

Fourth, to provide professional development opportunities which meet the needs of the system as well as the needs of the staff as a basic part of the school program.

Fifth, to develop a formal personnel structure in the school system.

BUDGET
The system submitted a budget of $13,874,171, an increase of $961,000 mandated by the School Reform Act of 1993. The State's contribution increased, while the Town's contribution was $315,128. Because of the State Aid increase which provided for most of the FY'95 mandated school budget growth, the Town needed only to appropriate $100,000 of the $315,128 figure for the Town's share of the mandated school budget. The remainder was from State Aid.

PERSONNEL
Those valued staff members who have contributed so much over the years are mentioned for their contribution to our system. We extend our sincere appreciation and gratitude to the following people:

Florence Hall	Lori Ostroff	Jill Reagan
Frank Jardin	Amy Palmisciano	James Sorenson
Carol Kenney	Carolyn Phelan	Margaret Stenerson-Reynolds
George Larson	Paul Pitts	Edward Talbot
	Joanne Verdolino	

DECISIONS AND POLICIES
As mandated by the School Reform Act of 1993, a policy and decision was made to develop a Professional Development Plan which was devised and submitted by Dr. Judith Frederick, Assistant Superintendent. The professional development plan included professional development in areas of curriculum, social competency and conflict resolution and areas of technology in the classroom.

The School Committee developed and implemented strategies for reducing and balancing class size for the 1995 enrollment. One section of Grade 6 was added at Lincoln Street Intermediate School and one section of Grade 4 at Lincoln and Center schools. A creation of a multi-age class in grades 1/2 at Parkview was established.

The School Committee voted in favor of the report of the Continuing School Building and Site Committee submitted in December, 1994. The vote included closing Lincoln and North Easton Grammar schools and building a new intermediate school on the 85 acre campus of the existing Junior and Senior high schools.

NEGOTIATIONS
The School Committee negotiated with the Custodians, Paraprofessionals, and School Secretaries for three-year contracts of salary increases. The contracts were ratified and accepted in June, July and December, 1994.

ACCOMPLISHMENTS
This past year saw much forward momentum toward improving the education for our students. Most of the improvement was in areas which directly impacted students. Critical impacts were in reducing class size, curriculum reviews and study, infusion of more technology into the classroom and establishment of a variety of social skills development for children.

The creation and start of the School Improvement Councils added a dimension of parental empowerment and thought and direction for each school. The aspect of the successful interface with the Committee, the Superintendent of Schools and parents forges a partnership of cooperative planning and improvements to the quality of education in our schools.

Dr. William Simmons continued to provide effective leadership and direction for our schools. His performance was evaluated by the Committee in January 1995 and his overall rating was 8.3 out of 9.0 in areas of staff development, relationships with Town Government, professional demeanor and educational leadership. Dr. Simmons' commitment, concentrated hard work and diligence to educational excellence allows the citizens and taxpayers of Easton to embody a sense of pride and accomplishment in their support of his endeavors.

We, as members of the Easton School Committee, thank you for your support, direction and interest in our continued representation for the school children of Easton.

Respectfully submitted,

Carla A. Goodwin, Chair
Michael K. Manning, Vice Chair
Lennart K. Altieri
Thomas Clark
Caroline S. O'Neill
EASTON SCHOOL COMMITTEE

1994 ANNUAL REPORT OF

THE SOUTHEASTERN REGIONAL SCHOOL DISTRICT COMMITTEE

Southeastern offers six post-secondary and twenty-four secondary vocational-technical training programs. On October 1, 1993, there were 1,282 students enrolled in the school district.

Easton's share of the $10,310,948 Fiscal 1995 school budget is $162,717. This is 5.3% of the budget and represents sixty-eight students.

Various grants were written and funded from a variety of sources to offset supply and equipment costs. We were funded for a health grant, drug-free school grant, special education grant, block grant, mathematics/science grant and Carl Perkins vocational grant. Grant funds were used to purchase machine shop equipment and various shop supplies. Additional grant funds were used to hire aides, discipline assistants and vocational teachers.

Our adult evening school courses continue to offer entry level trade skills and apprentice programs. Many new evening school courses were offered during the past year, and adult participation has greatly increased.

A site visit was made by the National Accrediting Agency for Clinical Laboratory Sciences to evaluate our Medical Laboratory Technician Program. NAACLS recommended that our Medical Laboratory Technician Program receive accreditation for a two year period.

John Avery, our High School Diector for the past six years, was appointed Superintendent-Director of Bristol-Plymouth Regional School in Taunton, and created a vacancy that was filled by Patrick H. O'Neill, former Director and Administrative Officer of Maine vocational United Technologies Center. Mr. O'Neill has over twenty years of experience and is competing his doctoral studies at Nova Southeastern University in vocational technical occupational education.

Southeastern recently hosted ten vocational students from Fermanagh College in Northern Ireland, and ten County Cavan students from the Republic of Ireland. The program was called the Wider Horizons Program, and was funded by the International Fund for Ireland to promote peace and greater understanding.

Southeastern student John Shea won first place in the Massachusetts Vocational Industrial Clubs of America residential plumbing competition and placed seventh in the national competition held in Kansas City, Missouri. Other VICA students have been successful in other regional and state competitions.

Southeastern graduates continue to do well, and the Class of 1994 has 96% of its graduates placed in full-time jobs, military and/or further education. Co-operative education employers thank the school district for supplying them with high caliber students.

Southeastern is always seeking new and different ways of conducting its education programs at minimal costs to the taxpayers of the school district without sacrificing quality vocational education programs.

Southeastern is appreciative for the cooperation and support received from the residents of Easton.

REPORT OF THE ANNUAL AUDIT

The Annual Audit of the Books and Accounts of the Town of Easton for the Fiscal Year ending June 30, 1994 was made by Thevenin and Company PC, Certified Public Accountants. A copy of the report is on file in the Town Clerk's Office.

Janet T. Andrus, C.M.C.
Town Clerk

1994 ANNUAL REPORT OF

THE TOWN ACCOUNTANT

I hereby submit the report of the Town Accountant for the Fiscal Year ended June 30, 1994. This report also includes a balance sheet for the Town of Easton as of June 30, 1994.

The books for the town were closed June 30, 1994. All reports for Fiscal year 1994 were submitted to the Department of Revenue Division of Local Services as prescribed by law.

Our Data Processing Department continued to progress with regards to the needs of all departments. During the next fiscal year, our hardware will be replaced with a newer system enabling us to further improve our entire Data Processing needs.

Ernest R. Camara
Town Accountant

1994 ANNUAL REPORT OF

THE DIRECTOR OF PUBLIC WORKS

To the Honorable Board of Selectmen:

Please find enclosed herewith the Annual Reports of the Department of Public Works as submitted by the Division Superintendents.

The Administrative activities of the past year included the continued groundwater remediation at the Lothrop Street Police/Fire complex. We upgraded the treatment facility on the complex grounds to allow for more data collection and system corrections to be made by phone modems. We have treated over 4,600,000 gallons of groundwater. We test regularly for benzene, toluene, and xylenes through influent and effluent samplings per EPA requirements. This site and treatment facility have been visited by many officials and has become a model site.

Solid waste management continues to be one of our top priorities. We have continued to work with our consultants and the DEP to assure that our landfill will remain in operation for as long as possible. Our landfill and recycling area has progressed over the past years from a facility that was constantly being cited to a facility that the State now wants to document and use as an example for other municipalities. We are very proud of this achievement and the efforts of the Landfill staff.

The Department applied for and received grants from the Mass. Emergency Management Agency, the DEP Recycling Division, the DEM Forest Division and MaReLEAF. These funds were applied to the budget overruns in the Snow and Ice account, the acquisition of new recycling equipment and the purchase and planting of new street trees. We also entered into a mutual aid agreement with Eastern Edison whereby they will remove some of our diseased and dying trees and replace them with new trees.

All of your Divisions of the Department have continued in their tradition of maintaining as high a level of service as possible for the residents of the Town. The entire Department is trying to emphasize communications with your Board and the public through more newspaper articles, handouts and our monthly television program the "People's Forum."

We are ever mindful and thankful to the Board for their direction and guidance through the setting of Town policy. We would wish to thank the Town Administrator for his continued support and the other Town agencies for their cooperation. We would also take this opportunity to say thank you to the residents of this fine Town who continue to support our budget and show patience as we work toward our goals, for it is the individual citizen who interacts with our Department on a daily basis that gives us the incentive to provide a high service level and to constantly improve the quality of living in Easton.

Lastly, I would offer my thanks to all the wonderful employees of the Department. Their dedication to their professions is without equal. They are always there to answer the call.

Respectfully submitted,

Paul E. Wollenhaupt

1994 ANNUAL REPORT OF

THE HIGHWAY SUPERINTENDENT

To the Honorable Board of Selectmen:

I hereby submit my report for the Fiscal Year 1994 for the activities of the following divisions: Highway, Snow & Ice, Landfill and Maintenance of Vehicles.

Roadwork in the Highway Division was curtailed somewhat this past year due to the fact that the Governor did not sign the Transportation Bond Bill until late August and the money was not available until mid September. This was too late in the construction season to schedule any major roadwork.

Full depth reclamation was done on Rockland Street from the Mansfield Town Line to Massapoag Avenue, a distance of 1,200 feet. The wearing or top course was installed on Norton Avenue, Pine Street and Randall Street for a total of 14,866 feet or 2.8 miles. Crack Sealing was done on Purchase Street, Scotch Dam Road, Turnpike Street, Beaver Dam Road, Bay Road and Prospect Street. Rubberized Chip Seal was installed on Williams Street and Howland Court and two hundred and fifty feet of sidewalk was installed at the North Easton Grammar School.

We swept 320 lane miles of roadway, cut roadside grasses, painted 92 crosswalks, repaired 287 feet of sidewalks, installed 450 feet of drainage and repaired 37 drainage structures. Rubbish was picked up twice a week at all municipal and school buildings. We responded to 82 emergency calls such as street flooding, pot holes, catch basins sinking and traffic signal maintenance.

We continue to purchase services and supplies through regional bidding, saving considerable amounts of money for the residents of Easton. We also continue to share equipment with the other towns in the South Eastern Regional Services Group which has proven to be extremely cost effective for all the communities involved.

The Highway Division completed 154 work orders from other town departments and 76 from the school department.

The Snow and Ice Division had a good work out this past year responding to 37 sanding operations and 9 plowing operations, 6 of them requiring hired equipment along with our own. Two of our Highway personnel were entered into a Snow Plowing Rodeo sponsored by the Plymouth Highway Association and won a first place plaque for their expertise. Congratulations to Joseph Pucillo and Alan Viall.

The Landfill Division saw a few changes this year including removing the rubbish packer and replacing it with a roll off container. We have also replaced the newspaper and cardboard trailers with roll off containers. The landfill has become a self serve drop off center which is working very well thanks to all the residents who take the time to do the job correctly. We continue to receive outstanding reviews from the inspectors at DEP.

Our recycling continues to grow. This past year we recycled the following amounts:

Newspaper	342.84 tons
Cardboard	47.37 tons
Co-mingled (plastic, tin cans, glass)	81.13 tons
Iron	187.0 tons
Compost	1,200 cu. yds.
Used Motor Oil	4,850 gals.
Oil base paint	220 gals.
Tires	539 tires
X-mas trees	542 trees

The Maintenance of Vehicle Division was kept extremely busy coping with breakdowns during the harsh winter. With the addition of nine new vehicles purchased through Capital Planning we are in need of a Preventative Maintenance Mechanic to work on just oil changes, tires, batteries, and basic tune-ups so that we can service all Town vehicles in a timely manner which does not interfere with scheduling for any department. Our two mechanics responded to 67 emergency road calls, along with maintaining all 158 pieces of Town owned vehicles and equipment.

I want to thank all the other departments within the town for their cooperation throughout the year and a sincere thanks to Paul Wollenhaupt, Director of Public Works for his expert guidance and support. It is through the dedication of all the people involved in the daily operations of the DPW that we are able to continue to make Easton a Great Town.

Respectfully submitted,

Edward C. Jacobson
Highway Superintendent

1994 ANNUAL REPORT OF

THE WATER DIVISION

To the Honorable Board of Selectmen:

I respectfully submit the following report and pumping record for the year 1994.

MONTH	GALLONS PUMPED	MONTH	GALLONS PUMPED
JANUARY	45,791,000	JULY	81,213,000
FEBRUARY	41,170,000	AUGUST	63,013,000
MARCH	45,104,000	SEPTEMBER	52,665,000
APRIL	49,335,000	OCTOBER	50,930,000
MAY	57,181,000	NOVEMBER	45,789,000
JUNE	81,872,000	DECEMBER	45,748,000

Total gallons pumped in 1994 - 659,811,000

The greatest amount pumped in one day was 3,683,000 on 6/19/94.

1994 precipitation Rain 39.62 inches; Snow 72.75 inches.

Average ph: 5.0 Highest ph: 6.3 Lowest ph: 4.2

The Water Division responded to 2,366 service and emergency calls.
Connected 151 new services for a total of 6,152 active services.
Replaced 426 meters
Renewed 2 services.
Repaired 16 service leaks.
Repaired 7 broken water mains.
1 - 6" main
6 - 8" mains
Thawed 10 frozen services.
Replaced 9 hydrants and 20 others were repaired of which 3 were hit by automobiles.

In 1994 new subdivisions added to our system:
450 feet of 4" water mains
164 feet of 6" water mains
3,650 feet of 8" water mains
7 new fire hydrants

We now have a total of 138 miles of water mains and 1,157 hydrants in our system.

12,571 meters were read; bills prepared and processed for mailing; 4,617 delinquent notices were mailed and 302 final bills were processed.

This completed our sixth year of the Backflow Prevention Program. Since 1989, 209 surveys have been conducted. This year 8 buildings were surveyed, 5 commercial, 1 institutional and 2 municipal; 249 Backflow Prevention Device Tests were performed; 8 new reduced pressure zone and 7 double check valve assemblies were installed. There are 166 testable devices connected to the system. Plans are reviewed for all new commercial, industrial and institutional buildings to insure against any actual or potential cross connections to our water supply.

In 1994 the water works employees participated in:

A Canoe River Aquifer Advisory Seminar on January 12, at Stonehill college.

The Easton Home Show on Saturday, March 19, and Sunday, March 20, at the Southeastern Regional Vocational High School.

An Open House at our new pumping station #6, Wheaton Farm, on May 7.

The Canoe River Awareness Day on Saturday, May 14, on Red Mill Road.

Two Regional Household Hazardous Waste Collection Days on Saturday, May 21, and Saturday, September 18, at the B.F.I. facility in East Bridgewater.

The Town Office Open House on December 3.

The D.P.W. Engineering Division prepared plans and specifications for the installation of 6,400 feet of new 12" ductile iron water main on Foundry Street from Highland Street to the end of Eastman Street at the Mansfield town line. This project will be advertised for bids early in 1995.

The Water Division conducted a system wide flushing program which was accomplished during the evening hours in the spring and fall. 403 man hours were spent flushing 78% of the system (108 miles). This has certainly been one of the most productive projects that we have ever undertaken. Flushing the water mains at high velocities removes the iron and manganese which has settled out on the bottom of the mains. This helps us to insure the continuous good quality of our water supply.

D & C Construction of Norwell completed our newest pumping station #6 at Wheaton Farm on Bay Road. We started pumping water into the system on April 8, 1994. This source yields 350 gallons per minute from an 8 well tubular well field. Work was also completed on the reconstruction of pumping station #2 behind the Clock Barn on Washington Street by P.R. Johnson Inc. of Billerica. Both of these projects were engineered by Amory Engineers of Duxbury.

The Water Division completed its 11th round of leak detection which started in 1982. To date, 229 leaks have been detected and repaired amounting to an estimated water savings of 586,846 gallons per day or 214,198,790 gallons per year.

The Federal Safe Drinking Water Act requires us to conduct a multitude of tests on our water supply to insure its quality. 417 bacteriological samples were taken this year. 30 homes and 2 schools were tested in June for lead & copper. This is a reduced testing schedule as a result of 2 earlier rounds of testing that indicated no elevated levels. Samples were taken at the source wells for volatile organic compounds; synthetic organic compounds; inorganics; nitrates; radionuclides; routine and secondary chemical contaminants. All water samples taken passed the requirements of the Federal E.P.A. Safe Drinking Water Act Standards.

For the fourth straight year the Easton Water Division received special recognition for its continuous outstanding performance and achievement from the State Department of Environmental Protection (DEP) receiving the greatest number of points for all large community public water supply systems. A special citation was presented to us by State Representatives, Jackie Lewis and Barbara Hyland, during the Drinking Water Week activities at the State House on May 4, 1994.

I would again like to recognize Janice Fowler and Richard Mueda for their efforts in maintaining our xeriscape demonstration garden at our office. This example helps to educate the public as to species of low water use plantings.

It has been a pleasure this year to work within a real team concept under the leadership of D.P.W. Director, Paul Wollenhaupt, and with the Water Division employees, Shirley Tufts, Peggy Hannigan, John Marsh, Raymond Keyes, Richard Buckley, John Fresh, Jr., Scott Habelt, Michael Berry and Richard Mueda.

"With Water Works Pride"

Wayne P. Southworth
Superintendent

1994 ANNUAL REPORT OF

THE WATER RESOURCE ADVISORY COMMISSION

James D. Mullen, Jr. was appointed to the Water Resource Advisory Commission by the Board of Selectmen on January 24, 1994. He was welcomed aboard at our February meeting.

During 1994, the commission undertook several educational projects. An educational brochure was mailed to over 3,000 residents in the Aquifer Protection Districts regarding the importance of protecting our water supply from contamination. We would like to thank the Water Division for assisting us in printing and mailing this brochure.

The Commission worked with the Water Division in organizing a poster contest for grades three, four and five to commemorate National Drinking Water Week, May 1 to May 7, 1994. The theme was "Conserve and Preserve". The members of the Water Resource Advisory Commission had the difficult task of judging the posters. The winners were recognized at the Water Division's annual open house, held this year at their new pumping station at Wheaton Farm. We would like to thank Judith Yankopoulos of the Easton School Department for her cooperation in organizing the contest. We could not have done it without her help.

We met with the Planning & Zoning Board to discuss the needed changes to the aquifer protection district bylaw to comply with D.E.P. permitting requirements. Meetings were held with Wayne P. Southworth, Water Division Superintendent, Jude Hutchinson, Environmental Analyst, D.E.P. and Peter Huie, Town Engineer.

Lyn White, who has served the commission faithfully for many years, decided not to seek reappointment. Our thanks to her for her knowledgeable input during her years on the commission.

Since there were no applicants for the commission in July, we were faced, once again, with a vacancy. Our commission consists of three members. It is difficult to conduct meetings with only two members. We are hopeful that this vacancy will be filled in the near future.

Respectfully submitted,

Shirley E. Tufts, Chair
James D. Mullen, Jr.

WATER RESOURCE ADVISORY COMMISSION

1994 ANNUAL REPORT OF

CANOE RIVER AQUIFER ADVISORY COMMITTEE

The Canoe River Aquifer Advisory Committee (CRAAC) was established by an Act of the Massachusetts legislature in 1987 to promote the regional protection of the drinking water supply within the Canoe river Aquifer through educational, advisory and cooperative efforts. The Committee consists of fifteen appointed members, three each from the Towns of Easton, Mansfield, Norton, Foxborough and Sharon.

The Committee continued to conduct educational programs throughout the past year. Chairman Wayne Southworth was a speaker at meetings of community groups, including the Foxborough and Sharon Rotary Clubs, and at local schools. Committee members presented educational displays and distributed watershed materials to teachers at the Earthlab Conference at Bridgewater State College.

Members planned and participated in a Joint Canoe River/Hockomock Swamp Area of Critical Environmental Concern (ACEC) Meeting in January at Stonehill College. Senator Keating and Leslie Luchonok, Director of the Inland ACEC Program, spoke about stewardship of natural resources. Chairman Wayne Southworth and Katherine Doherty of the Taunton River Watershed Alliance presented slideshows of the natural resources within the watersheds to the 150 people in attendance.

The Committee members initiated discussions with Mass. DPW regarding road salt issues within the watershed. Sam Pollick, a DPW research hydrogeologist, gave a presentation at a CRAAC meeting regarding the criteria used to designate "no salt us" areas.
As part of a Governor's Cabinet tour, Secretary of Environmental affairs Trudy Cox visited the Canoe River at the Mansfield Fish & Game Club and enthusiastically participated in a canoe ride.

The 7th Annual Canoe River Awareness Day was held in May at the Canoe River on Red Mill Road at the Norton/Easton line. Dick Turner of Mass. Fish & Wildlife gave a presentation about the wildlife along the river. Joan Kimball, Mass Fish & Wildlife's Adopt-a-Stream Coordinator, renewed eight adoptions and recognized one new adoption (Foxborough Rotary) of sections of the waterway. The participants at the Awareness Day also enjoyed a canoe ride on the river. A video of the event is available.

John Fresh, Easton Water Department employee, presented an informative slideshow at the May CRAAC meeting. John has documented many of the critical natural resources found along the river.

Eagle Scout candidate Greg Mertz performed a project at Greeley's Pond in Foxborough. Greg cleared and marked trails and parking spaces, using materials provided by the Foxborough Rotary Club, and generally made the area more accessible and enjoyable for the public.

In August, Wheaton College students conducted a trash clean-up at the Canoe River at Red Mill Road. Wheaton President Dale Marshall assisted the crew with their tasks. At the September CRAAC meeting, Gail Sudore, the Executive Director of the

Plymouth County Wildlands Trust, spoke about PCWT's goals and presented a video describing their existing properties. Future cooperative efforts between the two groups were discussed.

CRAAC members are developing a land protection program and are planning a project to identify and prioritize parcels along the river.

CRAAC's meetings alternate among the five towns on the first Thursday of each month at 1:00PM. The meeting dates and locations are posted at each Town Hall. Public participation is encouraged. The Committee also maintains a library of water-related materials at the Easton Water Department at 417 Bay Road.

1994 ANNUAL REPORT OF

THE EASTON ENGINEERING DIVISION

To the Honorable Board of Selectmen:

This year was a very busy and exciting year for the Engineering Division because of the number and variety of projects that needed input from the Engineering Division. These projects included the monitoring of water levels of the dams at New Pond, Old Pond, Morse Pond, and Langwater Pond because of high spring runoff; assistance in snow fighting operations; providing engineering for the McCabe and Barboza monuments at Depot Street and Five Corners; providing input for the possible aerial mapping of the Town; investigating and responding to drainage problems in various areas of Easton; representing Easton in the Intelligent Vehicle-Highway System (IVHS) program; and developing plans and applying for clay from the Boston Harbor project for future capping of the Town's sanitary landfill.

In addition to the above, the Engineering Division also assisted other elements of the Department of Public Works and town entities as follows:

HIGHWAY DIVISION
Management of its Chapter 90 roadway program.
Assisting in the development of its 5-year road improvement plan.
Developing vehicle specifications for bidding purposes.
Investigating the upgrading of the fuel storage and dispensing facility.

WATER DIVISION
Developing plans and specifications for the Eastman Street Watermain Project.
Surveying and staking out cross country water easements.
Developing specifications for an automated mailing system.

CENTRAL MAINTENANCE DIVISION
Developing plans for locating new playground equipment.
Recommending flood protection improvements at the Town Hall.
Investigating flooding problems at the Lothrop Street Police and Fire Station.

OTHER TOWN ENTITIES
Assistance to other Town entities included updating maps and restoring water damaged plans for the Assessor's Office; surveying parking lot stalls at the Easton Junior High School and providing engineering input to remove the puddling of runoff from the sidewalk and the repair to the entrance of the Oliver Ames High School; acting in behalf of the Building Inspection Department on gravel removal permits and land use violations; developing emergency escape routes for the Police Station; and reviewing plans for joint utility pole locations in public ways, and acting as advisor to the special counsel to the Selectmen on land litigation matters.

The Engineering Division continued to support the Planning and Zoning Board in its review of subdivision and site plans, preparing street inspection and roadway cost estimates, and site investigations and inspections of subdivisions. The Engineering Division also testified in Land Court in behalf of the Planning and Zoning Board.

Support to the Conservation Commission consisted mainly of the review of all Permit Applications, Jurisdictions, Applicability, Compliances, ad investigating possible violations of the Wetlands Protection Act and Article 29 of Easton's Wetland Protection Bylaw.

One of the main reasons the Engineering Division was able to successfully complete its many tasks in 1994 may be attributable to Robert Dunn, Engineering Assistant, who is very knowledgeable in his field and spends extra time on the job when necessary. The DPW administrative staff of Janice Jacobson and Lois Welch are also to be commended not only for their efforts and cooperation in support of the Engineering Division, but more importantly for their moral support and calming influence when sorely needed.

Respectfully submitted,

Peter Huie, P.E.
Engineering Division

1994 ANNUAL REPORT OF

THE CENTRAL MAINTENANCE DIVISION

To the Honorable Board of Selectmen:

This year the Central Maintenance Division worked with all DPW divisions as well as the School Department to establish a foothold on the ongoing problems that we encounter on a daily basis and to establish long term goals. As a new division we were able to complete many difficult projects and to catch up on some of the things that have been deferred for many years. We have been busy repairing heating systems and electrical problems that have been neglected for many years. When you think you have a problem solved something else related to it crops up and you begin again. I have found that most all maintenance now and in the past has been on a reactionary basis and the long term programs do not get a chance to come into play. Preventative maintenance has not been a strong point within the system. Although we are working very hard to correct these problems, the work orders come in twice as fast as they can be completed. When we start working in a building trying to accomplish as many repairs as possible an emergency always seems to come up in another building and we have to put what we are doing on hold. This becomes very frustrating and it seems that we will never get caught up. In spite of these interruptions the Central Maintenance Division, in conjunction with the Tree Division, has accomplished many tasks. This year both divisions worked together to keep all sidewalks, parks, and school fields lined and maintained as well as the cemeteries clean and mowed. We were able to construct three new offices at the Lincoln Street School along with completing over 1000 work orders. Bruce Morse and Jim Carlson also installed a new heating system in the Water Division work shop.

Capital Projects have been moving along with good progress as can be seen with the exterior painting of the Town Offices and the surface renovations to the playgrounds. Jim Carlson and Bruce Morse have installed one of the new electrical panels in the Town Office and should have the other installed within the next couple of months. The preliminary asbestos survey has been completed at the Water Division building and I am in the process of writing a specification for monitoring and removal services. Quotes have also been received on the interior painting of the Town Office and I expect to receive quotes for the building repairs and painting of the DPW building within the next couple of months. We now have a new phone system at the Town Office that more than doubled the service and phones at less cost than we were paying. I would like to give special thanks to Paulette Hollis for her excellent work on the new phone system and for making sure that all the phone lines went to the proper parties.

The Central Maintenance and Tree Divisions have been called in for several emergency calls throughout the year. December 23rd and 24th we were called in for several trees blown over. This was a very dangerous situation due to the wind and rain and I would like to say thank you to all the men who were out risking their lives, Ed Jacobson and Jack Flynn of the Highway Division, Paul O'Neill and Ken Martin of the Tree Division, Jim Carlson, Manny Mendonca, Bruce Morse, and Steve Guidaboni of the Central Maintenance Division and Officer Fred Gladstone and the other police officers.

I would like to thank Paul Wollenhaupt and all the department heads for their help and cooperation through the year. I would also like to thank Manny Mendonca, James Carlson, Bruce Morse, and Steve Guidaboni from the Central Maintenance Division and Paul O'Neill and Ken Martin from the Tree Division for their dedication and a job well done.

Respectfully submitted,

Richard A. Hayes
Central Maintenance Superintendent

John A. Pires
Inspector of Buildings - Zoning Enforcement Officer

1994 ANNUAL REPORT OF

THE EASTON PLANNING & ZONING BOARD

To The Citizens of Easton:

During 1994, the Planning & Zoning Board continued its pursuit to achieve effective land use planning.

Twenty-six evening meetings and three weekend site meetings were held by the Board. There was an ongoing review of the Subdivision Rules & Regulations and meetings were held with the Engineering Division/DPW to discuss changes to the Rules & Regulations. A public hearing on the proposed revisions to the subdivision Rules & Regulations was held in June and notices of the meeting were sent to all Town departments and boards, active developers, active engineers and land surveyors. Three continued public hearings on the proposed revisions were held and four workshop meetings. The revisions have not been finalized as input from attendees resulted in further study of the proposed revisions. All construction details have been updated using auto-cad drafting.

The Board has been unsuccessful in obtaining funding at Town Meetings for a Growth Management Study and has been using available funds to have the Old Colony Planning Council conduct portions of a study. The Board has requested the assistance of the town administrator in getting all Town boards together to discuss the studies done and growth issues.

While commercial development remained relatively slow, the Board was still faced with managing the build out of developments approved in the eighties and found that coping with the resulting problems took more time and effort. The economic and banking situation has greatly affected developers and the constant monitoring of subdivision bonding has become a big part of the work load.

In addition to working on updating the Subdivision Rules & Regulations, the Board devoted time to design review of subdivisions, site plan review, monitoring and inspections of subdivisions, inspection of sites for compliance with approved site plans, monitoring of cash bonding for subdivisions, discussion with the zoning enforcing officer regarding problems of mutual concern, and consultation with town counsel regarding planning & zoning matters and legal concerns.

Thirty-nine plans not requiring approval under the subdivision control law were reviewed and thirty were endorsed.

Ten preliminary subdivision plans with a total of 112 lots were submitted and reviewed. Two of the preliminary plans are for Cluster Residential Developments. Six definitive subdivision plans were submitted and six definitive subdivision plans were approved. The approved definitive plans are as follow: "Sweetmeadow Estates - eighteen lots located off Purchase Street; "240 Elm Street" - two lots on Elm Street; "4 Short Street" - two lots on Short Street; "Riverside Terrace" - two lots on Riverside Terrace; "Stoney Brook Acres" - nine lots off North Main Street connecting to Vineyard Place; "Partridge Way Extension" - 2 lots at the end of Partridge Way.

Ten site plans were reviewed and approved: 718 Washington Street; 99 Eastman Street; 184 Lincoln Street; North Easton Grammar School; 375 Foundry Street; 632 Washington Street; 6 Meadowhill Court; 32 Norfolk Avenue; 260 Washington Street, 136 Eastman Street.

Over fifty site inspections were made by members of the Board. The inspections include site plan inspections prior to the issuance of occupancy permits, inspections of subdivisions under construction, and site visits to potential subdivision developments.

The term of Daniel McAuliffe, who had been on the Board since November, 1990, expired in June and he did not seek re-appointment due to family and work commitments. Dan was a very valuable member of the Board and his banking expertise was very helpful during the period when bank situations affected subdivision bonding. Mark S. Bartlett, a registered professional engineer, was appointed to a five-year term to replace Mr. McAuliffe. Mark's engineering background has been most helpful in the review and discussion of plans. Gene T. Farrell was again elected chairman and Christopher Kone was again elected clerk. Board members continued to serve on other committees, including Capital Improvements Planning Committee, Continuing School Building and School Site Committee, and Public Facilities Study Committee.

We express our appreciation to the citizens of Easton, the employees and members of other Town agencies, Peter Huie and Robert Dunn of the Department of Public Works Engineering Division, and all others who have worked with us during 1994.

Respectfully submitted,

Gene T. Farrell, Chairman
Christopher J. Kone, Clerk
Stephen J. Donahue
Mark S. Bartlett, P.E.
William J. Meehan, P.E.
PLANNING & ZONING BOARD

1994 ANNUAL REPORT OF

THE BOARD OF APPEALS

To the Selectmen Town of Easton

We the members of the Board of Appeals respectfully submit the following annual report for the year 1994.

Thirty (30) petitions, fifteen (15) Variances, nine (9) Special Permits, four (4) Administrative Appeals, and two (2) Comprehensive Permit Amendments were received by the Board during the year which in conformity with the law, were duly advertised and copies of notices were given to all Town Boards, and mailed to all parties of interest as defined by Section 11, Chapter 40A. Mass General Law.

Former Chairman Joseph Meade resigned from the Board on March 1, 1994, and Peter Manning rendered his resignation on October 1, 1994. The Board congratulates Paul Pino on his appointment to fill Joseph Meade's unexpired term thru 6/30/97; as well as Jean Kent and Steve Freitas appointments as Associate Members, their terms expiring on 6/30/96 and 6/30/95, respectively.

The members of the Board after hearing all the facts and evidence as presented at the public hearings found as follows:

	Variance	Special Permit	Comprehensive Permit	Admn. Appeal
Petitions Granted	10	5	1	3
Petitions Denied	5	4	1	1
Petitions Withdrawn	0	0	0	0

The Board wishes to take this opportunity to thank all Town Officials and personnel for the assistance and service rendered the Board during the year.

Respectfully Submitted

Stephen J. McAlarney, Chairman
Barbara Paras, Vice Chairman
Paul C. Pino, Clerk
Joseph Derian, Member
Jean Kent, Associate Member
Steve Freitas, Associate Member
BOARD OF APPEALS

1994 ANNUAL REPORT OF

THE EASTON CONSERVATION COMMISSION

To the Citizens of the Town of Easton:

In the year 1994, the Commission held sixty-nine (69) public hearings and one hundred nineteen (119) continued public hearings under the Wetlands Protection Bylaw, Article 29 Town of Easton Bylaws and M.G.L. Ch. 131, s. 40. Along with the extraordinary workload this year, more time and energy was spent with continuing litigation matters.

With regards to conservation lands, proposed restoration of Old Pond and New Pond dams, off of Foundry Street, continues and work should be performed during the summer of 1995. At the Wheaton Farm area west of Bay Road, work is completed at the well site. The exterior of Tufts Farm has been repaired and is in the process of being painted. Within the Canoe River Aquifer Area of Critical Environmental Concern and Sole Source Aquifer, Douglas A. King and Walter & Al Endriunas gifted a seventeen acre parcel of land to the Conservation Commission. This acreage adds a further layer of protection to the Red Mill well site and was gratefully accepted.

The Commission acknowledges, with regret, the resignation of member John S. Haederle but heralds the arrival of Dr. Philip Barske to the board.

The Commission would like to give special thanks to both the agent, Robert G. Dunn, a member of the DPW, for his dedication to this office and to the Board of Selectmen for their cooperation in joint matters of concern.

All of the Commission members would like to thank the Town boards and officials who have assisted us over the past year and to thank our fellow citizens for their continuous and vigilant help in protecting valuable wetlands.

Respectfully submitted,

Michael G. Sites, Chairman
Frederick W. Clark, Esq., Vice Chairman
John E. Grant
Forest E. Henderson
Philip Barske

1994 ANNUAL REPORT OF

THE BOARD OF HEALTH

To the Citizens of Easton:

In compliance with the General Laws of the Commonwealth of Massachusetts, it is our pleasure to herewith submit to you a summary of the work done under the Board of Health for the year 1994.

William A. Grimes was elected to a three year term at the annual election in April. At the organizational meeting, David E. Gardner was elected Chairman. Staff included Director of Public Health Wade D. Saucier, R.S., C.H.O., Administrator Agent/Burial Agent JoAnne Pilz, Animal/Milk Inspector John D. Melin, Plumbing Inspector Daniel A. McNeill, and Associate Plumbing Inspector Robert A. Govey. Philip O'Connell, P.E., continued as engineering consultant assisting in observation holes, percolation tests and septic plan review.

Public Health nursing services were provided by contractual agreement with the Community Visiting Nurse Agency, Inc. of Attleboro. Chris Delano, R.N., the town's contact nurse, provided the Board with excellent service and professional advice throughout the year. The cumulative statistics for the 1994 calendar year are as follows: Influenza Immunizations, 531 residents; Mantoux Testing, 75 residents; Hepatitis B, 4 town employees; Lead Levels, 1 resident; Health Promotion Clinic, 142 residents; Blood Pressure Clinics, 229 residents; Maternal Child, 66 contacts; Communicable Disease, 21 investigations; Free Care, 33 visits. The CVNA also served as the vaccine distribution center for the Board of Health.

The Department of Public Health classified Easton as a community with confirmed rabies within its wildlife population. The rabies epizootic condition is slowly spreading throughout the Commonwealth. Rabies clinics for domestic animals were held on April 10, May 15, and July 31, 1994. A total of 450 animals were vaccinated. The Board of Health supported the vaccination of animals at the Sheep Pasture through the Rabies Task Force monies appropriated at Town Meeting. In conjunction with Town Administrator Kevin Paicos, a clinic was held for 14 town employees as a precautionary measure for their safety.

Easton, Mansfield, and Sharon have joined collaboratively to form a Tobacco Control Program. Ms. Charlotte Scozzafava, Program Coordinator and Ms. Sheila Miller, Health Educator have been hired as staff to work with the Boards of Health on this important program. The Easton Board of Health has been busy in preparation for finalizing a tobacco control regulation for the Town.

In joint efforts with the American Lung Association, Southeast Region, the Board of Health participated in a distribution and education program for radon gas in the home. One hundred and ninety-three kits were sold at a reduced price through a federal grant program. Our gratitude and thanks to the employees and management of Shaw's Supermarkets, Ames Free Library, and the Five Corners branch of the library in helping as satellite centers for the distribution and sales of the kits.

The food inspection program was provided by contractual agreement with RJH Associates, Inc. of Hingham, MA. Their services consisted of two initial inspections per food establishment and follow up inspection if required.

The local regulations governing on-site septic design and installation were revised. The revision targeted maximum ground water.

There were 1,016 permits issued by the Board. The breakdown is as follows: Plumbing, 302; Funeral Directors, 2; Food Permits, 165; Dumpter Permits, 143; Disposal Works Installers, 62; Transport Offal, 18; Motel/Cabin/Trailer Park, 4; Milk Licenses, 90; Massage Licenses, 3; Caterers, 5; Mobile Food Trucks, 2; Swimming Pools, 8; Disposal Works Construction permits, 150; Septic Repairs, 50; Tanning Facilities, 5; Dumpster Service, 5.

The Board appreciates the cooperation of the various town boards and departments and continues to work closely with the Department of Public Health and the Department of Environmental Protection and other agencies of the Commonwealth.

The Board wishes to thank the Department of Public Works and the Southeastern Regional School District for their support and their role in the renovation of a bathroom/storage room into the Director's office. Special thanks to Mr. Thomas McCabe and Mr. Thomas Bodio.

Respectfully submitted,

David E. Gardner, Chairman
Robert J. Kane
William A. Grimes
BOARD OF HEALTH

1994 ANNUAL REPORT OF

THE BOARD OF HEALTH
MILK/ANIMAL INSPECTOR

To the Board of Health and the Citizens of Easton:

I respectfully submit the following report for the year 1994.

MILK INSPECTIONS:

Samples were taken from 96 restaurants, schools, and nursing homes. These samples included 256 milk and cream, 58 soft ice cream, 39 yogurt, sour cream, cream cheese and cottage cheese.
Dairy product codes are checked randomly in stores throughout the year.

Temperature readings are taken from cooler cabinets, dispensers, walk-in chests and refrigerators. Temperature control is important in storing dairy products. For best protection, store milk and dairy products between 33 F and 40 F. Average shelf life at 40 F is 10 days. This decreases rapidly at higher temperatures.

ANIMAL INSPECTIONS:

Two dairy herds: 65 cows over two years, 50 heifers one to two years, 11 calves under one year, 2 bulls, 1 steer.

Six beef herds: 21 cows over two years, 11 heifers, 16 calves under one year, 4 bulls, 10 steers.

RABIES EPIZOOTIC:

Thirty-three (33) quarantine confinement orders were issued for domestic pets because of possible exposure to rabies.

Forty-three (43) heads were submitted to the State Laboratory for rabies examination. There were six positive cases.

There were 30 animal bites; 27 dogs and 3 cats.

Three hundred eighty seven (387) dead animals included those hit by cars, those which were euthanized, those killed by other animals, and natural death.

I would like to thank Wade Saucier, JoAnne Pilz and members of the Board of Health for their cooperation. Special thanks to the Town Administrator, Board of Selectmen, Police and Fire Departments and the Department of Public Works for their support.

Respectfully submitted,

John D. Melin
Milk/Animal Inspector

1994 ANNUAL REPORT OF

THE VETERANS' SERVICES DEPARTMENT

During 1994, 61 veterans or their dependents received assistance through the Veterans' Benefits or the Veterans' Services Programs.

Through the Benefits Program, 17 veterans or dependents were eligible for financial assistance with household expenses and/or medical bills. This program is open to low income Easton veterans or their dependents who meet the income and asset guidelines that are established by the Commonwealth of Massachusetts, Commissioner of Veterans' Services. The $56,204 in veterans' benefits issued during FY 1994 were paid from local appropriation with the State reimbursing the Town for 75% of the veterans' benefits issued.

During the past year this veterans' agent assisted 61 families through the Services Program which is open to all Easton veterans or their dependents regardless of income. As Veterans' Agent, I provided direct service or advocated on behalf of the veteran with various agencies to obtain assistance. Some veterans filed applications or submitted information to the Veterans Administration regarding pensions or compensation claims. Others applied for fuel assistance, or received help in filing for Social Security, SSI Disability or Medicaid benefits. Some sought help in obtaining property tax exemptions.

I wish to thank the Board of Selectmen, Finance Committee, members of the American Legion Post #7 and the Veterans of Foreign Wars Post #2547, and the residents of Easton for their continued support of our veterans and this Veterans' Services Department.

Respectfully submitted:

Dolores M. Kent,
VETERANS' AGENT

1994 ANNUAL REPORT OF

THE RECREATION DEPARTMENT

To the Citizens of Easton:

The Recreation Department continues to operate attractive programs for our Easton community under the leadership of the Director, Kenneth Wood.

The summer "Concerts in the Park" band programs were again very well received. The Recreation Commission extends its gratitude to Robert Wooster, Park Director, for his continued cooperation in the presentation of summer programs for both children and adults at Frothingham Park. Funding in part, thanks to our local businesses.

This past spring a record number of kindergarten children participated in Recreational Tee-Ball with a total of thirteen teams in May.

The summer programs were very successful this year. Tennis and swimming lessons increased. A youth swim team joined the Hockomock League and competed with area Towns during the summer months. The Kids Fun and Track meets in July and August at Muscato Stadium were heavily attended by families of children ages one through twelve. The youth softball league for young girls had a very productive season.

Other activities, sponsored by the Recreation Department include Fall/Winter/Spring Open Gym Basketball, Over "30" Basketball, Co-ed Volleyball, Special Needs programs, Youth Basketball . "Olde Tyme Field Day" on Labor Day fits prominently on the recreation agenda. New introductions to the program were the Outdoor Movie Program at Town Office Grounds in July and August, for the renewal of the Ski Lessons Program at Blue Hills and the opening of Yardley Rink for Ice Skating.

The Commission is indebted to the community for the continued appropriation of the Receipt Account at Town Meeting last year for the continued operation of the Town Pool Facility.

We are very pleased to announce that all of the recreation programs listed above are self-funded and that part of our administrative cost of part-time Secretary and Director are included.

The Recreation Commission would like to express their appreciation to all who supported and volunteered their services this year, including all those who helped the Easton pantry to serve residents in Easton in need during these hard times.

The Recreation Commission would like to especially thank Lee Anderson, an Easton Fireman, who on his off duty time spent many hours helping to maintain the upkeep of the new Yardley Ice Skating Rink. Throughout the winter season, Lee, when not working on the rink is on the ice with his skates playing hockey with the Town's youth. He has also spent many hours helping at our Town Pool facility in past years.

Respectfully submitted,

Kenneth Wood, Director
Patrick Goodman, Chairman
Stephanie Coose
Charles Hammond
Scott Herman
Peter Palm
Martin Szumylo
Michael Whitney
RECREATION COMMISSION

1994 ANNUAL REPORT OF

THE COUNCIL ON AGING

During 1994, the Council on Aging contacted the 2,752 elderly residents of Easton through our bi-monthly newsletter which was mailed or delivered to each elderly household. In addition to the newsletter, the Council provided service in transportation, nutrition, recreation, outreach and referral services to 795 of our elderly residents.

We transported elders and handicapped residents to medical appointments, grocery stores, shopping malls, the Senior Center and local hairdressers on either our lift-equipped shuttle bus and van, in our new minivan or with one of our volunteers. We were fortunate to receive the new 1994 Ford Aerostar minivan through a State Councils on Aging Association grant.

Old Colony Elderly Services provided hot lunches for our elders at the Center and supplied meals-on-wheels which were delivered by our driver or volunteers to homebound elderly each weekday. Easton-Lincoln Nursing Home provided meals for our special-diet meals-on-wheels program.

During the year, the Council offered a number of health promotion programs. A monthly nutrition class was started by the Area Agency on Aging nutritionist and preventive foot care clinics were provided by trained nurses from Pedi-Care, Inc. We collaborated with the Easton Lions Club and are grateful for the Eye Mobile health screenings offered during Senior Citizens Month in May. The Council received a grant from the Old Colony Planning Council Area Agency on Aging to offer a very successful progressive resistance fitness program at the Easton Fitness Center for area seniors.

Seniors participated in recreational programs including board games, bowling, bridge, ceramics, crafts, cribbage, knitting, line dancing, movies, painting, walking club and quilting. Many traveled with us on day trips and overnight tours.

Our outreach worker made home visits to elders and arranged a variety of home care services for those in need by working with local social service agencies, volunteer groups and private homemakers. Staff members helped fuel assistance applicants, issued senior citizen ID cards, and completed Bay State Gas discount cards. Council on Aging volunteers distributed Self Help, Inc. government surplus food to low-income residents.

In December, the Council was saddened by the passing of our longtime member, Robert Keefe. Mr. Keefe served the elderly residents of Easton for 16 years as a Council member with 15 of those years serving as chairman. He was instrumental in many of the senior center programs and will be greatly missed.

We were fortunate to have many volunteers who helped us during the year, making it possible for us to run a wide variety of programs for our elderly. We would like to thank them for their contribution and also the Easton Housing Authority for the use of their community hall for our Senior Center programs. We extend our appreciation to the Board of Selectmen, the Finance Committee and the residents of Easton for their continued support of our elderly services and programs.

Respectfully submitted:
Jerry Fitzgerald, Chairman
William Kirkpatrick, Vice-Chairman
Elizabeth Verity, Secretary
M. Rita Wilde, Treasurer
M. Celia Scully
David Welch Jr.
Dolores Kent, Director

1994 ANNUAL REPORT OF

THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen and the Citizens of Easton:

The highlight of the Historical Commission's activities was the celebration of the Tercentennial of Easton's first recorded European settlers (1694-1994). The Historical Commission, several other organizations, as well as the Town planned and participated in several events to mark the occasion. Highlights included a Logo Contest in which participating junior high and high school students designed a logo in honor of the Tercentennial; a series of walking tours of Easton's historic neighborhoods (which included written brochures highlighting the areas featured and which will be included in an upcoming book) by Ed Hands, Commission Vice-Chair; and an Essay Contest for students in the Lincoln Street Intermediate and Center Schools (grades 5 and 6) sponsored by the Historical Commission and Historical Society. The winners of the logo contest were: senior high division: Mark Silva first place, Saskia den Hartigh second place, and Chaz Yoon third place. Winners in the junior high division were: Stefan Crayton First Place, Alyscia Juzukonis second place, and Hillary Andrus third place. The essay contest winners were: Marguerite Harlow first place, Talia Vestri second place, and Leah Horne third place. The Historical Commission wishes especially to commend the Historical Society, Easton Garden Club, Stonehill College, the culinary arts students of the Southeast Regional, and the supporting students of Oliver Ames on the Settlers' Gala, chaired by Robert and Carol Misiewicz, the support of the Town and the support of several civic minded people, businesses, the media and other organizations in marking the Tercentennial. The Historical Commission would like to also thank the following business concerns: Brockton Credit Union, Easton Chamber of Commerce, Easton Cooperative Bank, Lowndes-Morse Insurance Agency, North Easton Savings Bank, and Tanner Ford for generously supporting our projects during the Tercentennial. It was a great success.

The Historical Commission continues to identify, evaluate and protect Easton's unique historic and archaeological resources. These resources are not only important locally, but are also significant Commonwealth and National historic resources. Presently, Easton has three National Register Historic Districts, and one area listed as a National Historic Landmark District, all of which continue to attract visitors from out of state as well as other countries.

During the past year, the Commissioners have been active participants in the Town's various boards and committees as resource persons and advisors in the protection of our historic heritage and cultural resources. The Easton brochure and map has been reprinted, copies of which are available at the Town Office, the Easton Historical Society, or from the Commissioners. The Town flag is now on permanent display at the State House, along with the flags of the Commonwealth's other cities and towns.

The Historical Commission noted with regret the resignation of Gina MacKeen this past year. We wish her well in her future endeavors. The Commission welcomed Frank Meninno as a member this year.

The Historical Commission meets on the third Tuesday of each month. Visitors are always welcome.

Respectfully submitted,

Kathleen A. Beaudoin, Chair
Edmund C. Hands, Vice-Chair
Gloria J. Stafford, Secretary
John J. Kent
Frank T. Meninno
David R. Morse
Hazel L. Varella
EASTON HISTORICAL COMMISSION

1994 ANNUAL REPORT OF

THE CEMETERY COMMISSION

The Eagle Scout project, by Scout Robert W. Foster, Jr., at the Veterans Cemetery on Church Street was completed. Many thanks for a job well done!

We want to thank Veteran's Agent, Delores M. Kent, who through the Veterans Affair Office, was able to obtain a grant of $3,500. for Veterans headstones restoration. With this grant we were able to restore and clean veterans headstones, under the supervision of Jack McTernan.

Granite posts with chain were installed around the Apollos Cemetery on Black Brook Road.

We want to express our appreciation to the Town officials, the Easton Historical Society and the residents of Easton, for their continuous support which enables us to care for and maintain our cemeteries.

Respectfully submitted,

John Melin, Chairman
Clyde A. Craig
Elmer G. Harlow

1994 ANNUAL REPORT OF

THE AMES FREE LIBRARY - EASTON'S PUBLIC LIBRARY

Circulation Statistics

	Main Library	Five Corners	Total
Adult	15,949	11,546	27,495
Juvenile	13,348	10,679	24,027
Totals	29,297	22,225	51,522

1994 was a busy year at both locations. Story hours done by talented volunteer Donna Cassaro and others were well received at the Five Corners Branch and brought an average of fifteen pre-school children and their mothers to the library weekly for reading enrichment. The summer also saw a successful reading program for elementary and high school students. Beginning with a presentation by the Perishable Theater of "The Sun's Magicians," sponsored by the Stonehill Enrichment Fund and ending with Magician Peter Verono, the library encouraged over one hundred children to complete the summer reading program and receive certificates for their efforts. And for the first time, cooperation with the high school proved to be of great value in assisting older students to obtain required summer reading materials at Easton's Public Libraries. Special thanks to Katheryn Kenney at the Oliver Ames High School Library for working with this library to benefit all Easton high school students.

The Friends truly supported the library this year as always through projects such as "Adopt-A-Book", book and soup sales, and programs as well as acting as good-will ambassadors for the library throughout the community. Purchase and presentation of the Elvira Shepard diaries for preservation and a look into a slice of Easton's past on a personal level was also made possible by the Friends. Passes to the Boston Children's Museum, Fine Arts Museum, Harvard Museums and the Science Museum contributed by the Friends' generosity with the assistance of the Easton Chamber of Commerce were very popular. Heavy use is made of this service by Easton families, especially on weekends and during school vacations.

A spring open house at the Main Library kicked off the Chamber of Commerce Home Show. This brings in members of the business community, persons associated with town activities, and friends to visit the library, many for the first time. A gracious thank you to all who helped.

Additionally, the library participated in the Lions Holiday Festival in December with a reception at the Main Library.

Elegant decorations appropriate for the season were provided by the Easton Garden Club.

The Board of Directors completed the Long Range Plan for the library's services, both current and future. The Massachusetts Board of Library Commissioners requires the library to formulate and submit a plan in order to receive state aid to libraries and other grants. Easton's plan was accepted by the Commissioners, however the Board of Directors will continue to enhance and upgrade services.

I wish to thank the Board of Directors, the Friends, and the staff for their support in helping me to get to know the library and it's community. 1994 was a new beginning, a prolog to an exciting future.

Annalee Bundy
Executive Director

1994 ANNUAL REPORT OF

THE AMES TRUST FUNDS

The following statement is supplied by the office of the Trustees of the Ames Fund.

The following is a summary of the Ames Trust Funds held for the benefit of the Town of Easton as of December 31, 1994, together with an estimate of the 1995 income. The estimate for 1995 is based on the amounts which the various companies are now paying. This estimate does not allow for any deductions which may have been made before the net income is paid over to the Town of Easton. Nor does it take into consideration any reductions in dividends which might be made by the various companies.

	Book Value	Market Value	1994 Income Paid to Town	1995 Est Income to Town
Highways Fund	$1,189,778.25	3,020,689.40	$135,072.11	$106,000.00
Highways Perm. Fund	117,460.80	135,503.18	4,448.52	4,500.00
Schools Fund	1,972,459.95	2,614.064.96	114,732.09	96,000.00

Respectfully submitted,

Esther C. Anderson, C.M.C.
Town Clerk Emeritus

1994 ANNUAL REPORT OF

THE VETERANS MEMORIAL SCHOLARSHIP COMMITTEE

The Committee did not award a scholarship in 1994 because the scholarships are awarded only on odd years.

The next scholarship will be awarded in 1995.

Sincerely,

Clyde A. Craig, Chairman
John F. Hurley
John Melin
Chairman, Board of Selectmen
Chairman, School Committee
Commander American Legion Post 7
Commander VFW Post 2547

1994 ANNUAL REPORT OF

THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and the citizens of the Town of Easton:

As your representatives to the Old Colony Planning Council (OCPC), we are pleased to present this report on behalf of the Council for 1994.

The Council is one of thirteen regional planning agencies in Massachusetts, authorized by state statute to prepare plans for the physical, social and economic development of their respective regions. In addition OCPC, which serves fifteen communities in the Brockton - Plymouth areas, is the only regional planning agency in Massachusetts to be designated as an Area Agency on Aging. In this responsibility, the Council manages federal Older Americans Act funding for its regular planning district plus eight additional municipalities. The Council is also designated by the Commonwealth of Massachusetts as the Metropolitan Planning Organization for transportation planning and as an Economic Development District by the U.S. Department of Commerce, Economic Development Administration for economic development planning, coordination and financial support.

Each member community of the Council is represented by one delegate and one alternate member. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 7:30PM in the OCPC offices located at 70 School Street in Brockton.

In 1994 the Council's activities concentrated on meeting the increased requirements of the Intermodal Surface Transportation Efficiency Act or transportation planning and assisting communities in acquiring funding under the program; preparing required documents and providing technical assistance under the economic development program; and administering the elder services program. The Council was saddened in May by the sudden passing of its President, James A. Kassos of Brockton who had just been re-elected to serve a second term. The OCPC dedicated the Library/Conference Room in memory of Mr. Kassos. Mr. John G. Mather of Halifax was elected to replace him as President of the Council. Elected to serve as Council Secretary was Eldon F. Moreira of West Bridgewater; and Joseph Landolfi of Stoughton was elected Treasurer.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of the members of the Joint Transportation Committee chaired by Stephen Baker; the Overall Economic Development Committee chaired by Mr. Joseph Joseph; and the Area Agency on Aging Advisory Committee chaired by Mr. Christian Schembri. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted its efforts.

Respectfully submitted,

Richard Chase, Delegate
Jeanmarie Kent, Alternate
Mathew C. Striggles, Delegate At Large

1994 REPORT OF THE

OLD COLONY PLANNING COUNCIL
AREA AGENCY ON AGING

To the Honorable Board of Selectmen and the residents of the Town of Easton:

As your representatives to the Old Colony Planning Council Area Agency on Aging, we are pleased to present this report of the Area Agency's activities for 1994.

The Old Colony Planning Council Area Agency on Aging is responsible for administering Title III funds under the Older Americans Act. This federal funding enables the Area Agency on Aging to address the needs of elders in twenty-three communities in southeastern Massachusetts. Through the combined efforts of the local Councils on Aging, community service agencies and the Area Agency on Aging, Title III funds are used to develop and support a broad range of in-home and community-based elder services.

During fiscal year 1994, almost 13,000 elders in the region received in excess of 300,000 units of service, ranging from home-delivered meals to transportation services through the program. These services were provided through more than twenty local regional social support programs and twenty-five Title III supported nutrition sites. The following service programs were funded in 1994 by the Area Agency on Aging:

* Senior center services
* Mental health assessment and counseling
* Homemaker, personal care and home health aid services
* Social day care/respite services
* Congregate and home-delivered meals
* Support services for deaf and/or blind elders
* Transportation services
* Emergency/crisis assistance
* Chore services
* Legal services
* Nursing home ombudsman services

The Area Agency on Aging Advisory Committee plays a vital role in the development and support of elder service programs in the area. The Advisory Committee, consisting of representatives from each of the 23 communities served, assists the Area Agency on Aging with assessing elder service needs, establishing funding priorities and selecting subgrantees to provide Title III services. The support and cooperation of the local communities and Advisory Committee is acknowledged with gratitude by the Old Colony Planning Council Area Agency on Aging.

The Old Colony Planning Council Area Agency on Aging meets regularly on the fourth Tuesday of each month at 1:30 P.M. at the Hanson Senior Center/Library.

Respectfully submitted,

Dolores Kent, AAA Delegate
Mary Scully, AAA Alternate

1994 ANNUAL REPORT OF

THE HANDICAP ADVISORY COMMITTEE

This Committee started the year with a general mailing of a letter to Town businesses regarding compliance with the American Disabilities Act and the Architectural Barriers Board Codes. The initial mailing to a total of 38 locations, most of which were shopping plazas and locations we had been made aware of by Town residents questioning accessibility, was met with a total of 12 replies, most of which were received well after the requested thirty (30) day time frame for notice of intent. This exercise made the Committee more aware of the need to educate Town businesses, Boards and agencies, as well as individual residents of the need to work towards compliance with accessibility requirements for the physically challenged.

It was unanimously decided that a policy of publishing listings of cooperating local businesses in the Town newspapers would be a positive reinforcement of individual commitment to compliance with the Americans with Disabilities Act (A.D.A.) and the Architectural Barriers Board (A.B.B.) Codes. We published the first of these listings in the fall of the year and will continue the practice.

Through mutual cooperation with both the Planning and Zoning Board and the Building Inspector, this Committee has addressed accessibility issues with new, planned construction within the Town through meetings with owners and their representatives. This policy will continue.

This Committee has undertaken the task of inspecting the Town and School buildings relative to compliance to A.D.A. and A.B.B. Code compliance issues. To date this project is approximately half done and will be completed in early 1995. As the access issue is paramount regarding public buildings... this will be our first priority in 1995.

Through cooperation with the Police and Fire Departments and the DPW, this Committee has been working to eliminate barriers throughout the Town including unauthorized parking in H/C spaces and the installation of railings at the main entrance to the Town Hall.

This Committee endorsed William Smith in his Eagle Scout project to make the Town Pool accessible. We commend Bill and the many contractors and individuals who assisted him in this noble and much needed effort.

Two of our Committee members attended a two day seminar on compliance to the Americans with Disabilities Act and the Architectural Barriers Board Codes sponsored by the Massachusetts Office on Disabilities, among other organizations, and are completing requirements to become community access monitors.

It is the intended long range goals of this Committee to:

- Provide information about compliance to the Americans with Disabilities Act and the Architectural Barriers Board Codes
- Lend assistance to those businesses and individuals in Easton who are desirous of achieving a barrier-free community
- And foster and encourage enforcement of compliance to the Americans with Disabilities Act and the Architectural Barriers Board odes.

Respectfully submitted,

Handicap Advisory Committee
Town of Easton

1994 ANNUAL REPORT OF

THE EASTON HOUSING AUTHORITY

To the Residents of Easton:

The Easton Housing Authority is pleased to report to the residents, of Easton that its' 184 elderly, 10 family and 101 Section 8 Certificates and Vouchers have been tenanted for the entire year of 1994. Applications are still being accepted for our Chapter 667 elderly state-aided housing at Parker Terrace and Elise Circle. Easton residents receive a preference on our waiting list. Please call the office at 238-4747 for guidelines and more information.

The Authority ended 1994 on a sad note. Mr. Robert Keefe, the Treasurer of the authority passed away on December 25, 1994. Mr. Keefe was a member of the Authority for more than 15 years. His dedication to the residents, staff and townspeople will be sorely missed.

The Parker Terrace Community Building has been renamed the "Robert J. Keefe Community Center" in honor of Mr. Keefe's devotion to the seniors of the Town of Easton.

Respectfully submitted,

Jerry Fitzgerald, Chairman
Daniel Crane, Vice-Chairman
William Kirkpatrick, Treasurer
Sylvia Gardner, Member

1994 ANNUAL REPORT OF

THE FAIR HOUSING COMMITTEE

During 1994 the Town of Easton Fair Housing Committee continued its efforts to educate the public on the Fair Housing Laws. We met to discuss fair housing issues, review the Fair Housing Plan and develop community education programs.

The Fair Housing Committee maintains contact with rental property owners, real estate agents, bank loan officers, condominium trustees, tenant associations and community groups to educate them on fair housing issues. The Committee distributes a Fair Housing brochure encouraging individuals who feel they have been discriminated against in obtaining housing to contact the Fair Housing Committee director at the Town Offices.

The Town of Easton is committed to providing fair housing opportunities to all persons and we look forward to continuing our work with the Board of Selectmen, community groups and individual residents in carrying out our goals.

Respectfully submitted:

1994 ANNUAL REPORT OF THE REGISTRARS OF VOTERS

Various meetings of the Board were held for registration of voters for Town Meetings and elections.

At close of registration on March 22, 1994, the total number of voters was as follows:

Pct	Dem	Rep	Unenr	United We Stand	Total
1	482	449	1,035	1	1,967
2A	91	124	281	0	496
2B	414	378	776	0	1,568
3	417	325	864	0	1,606
4	518	373	985	0	1,876
5	370	283	984	0	1,637
6	432	282	937	0	1,651
Total	2,724	2,214	5,862	1	10,801

At close of registration on August 23, 1994, the total number of voters was as follows:

1	487	455	1,046	1	1,989
2A	90	125	284	0	499
2B	415	374	779	0	1,568
3	419	325	891	0	1,635
4	523	376	1,006	0	1,905
5	377	289	1,004	0	1,670
6	435	288	942	0	1,665
Total	2,746	2,232	5,952	1	10,931

At close of registration on October 11, 1994, the total number of voters was as follows:

1	496	466	1,084	1	2,047
2A	93	130	296	0	519
2B	427	377	800	0	1,604
3	428	335	938	0	1,701
4	526	389	1,055	0	1,970
5	391	300	1,057	0	1,748
6	445	292	993	0	1,730
Total	2,806	2,289	6,223	1	11,319

United We Stand lost its party status this year because it did not place any party candidates for statewide office.

Libertarian became an official state party after the November election as it received at least 3% of the total votes cast for the office of Secretary of State.

Respectfully submitted,

Jean L. Williams, Chairman
Jean H. Cote
Frederick A. Wilde
Janet T. Andrus, Clerk
REGISTRARS OF VOTERS

(Licenses and Stamps)	1993	1,432

Respectfully submitted,

Janet T. Andrus, C.M.C.
Town Clerk

1994 ANNUAL REPORT OF

THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

For a third year in a row, Easton Firefighter/EMT personnel, operating with a decrease in staffing from 1991 levels, responded to an increasing number of emergency calls, and continued to demonstrate an increased commitment to quality service.

Starting in January of 1994, a new computer system was employed to record Fire Department responses. Firefighter Jim Tully worked many hours both on and off duty to develop a system that would fulfill the Department's needs. The information on fire protection that this computer system can provide in the near future will be very valuable to the department and the citizens of Easton. The department now has the capability to compile response data in different forms. For example, there were a total of 2,836 incidents responded to by the department in 1994 for fire, emergency or other related problems. There were 24 dwelling fires, 10 fires in commercial property and 2 fires in other types of structures. There were 4,312 Fire Department equipment responses in 1994. One person died due to a fire in building. No citizens received fire related injuries in 1994. Estimated property loss for all 1994 incidents to which the fire department responded amounted to $764,450.00, a decrease in loss of $72,600.00 from last year.

In 1994, the Easton Fire Department continued to render to, and request from surrounding towns and cities, mutual aid fire and ambulance assistance. Our department responded to 434 auto accidents and 31 spills or fires involving hazardous materials in Easton during 1994.

There were 1,316 emergency medical responses by the Fire Department Ambulance in the past year. These responses resulted in the transport 810 persons to local hospitals. The new Ambulance, (paid out of ambulance billing, not taxation) was delivered in March of 1994. In April, Firefighter/Paramedic Arthur Keefe was hired and joined our EMT/Intermediates in providing advanced medical care to our citizens. In December 1994, the state granted the department a Paramedic/Intermediate Ambulance License. This enables us to provide advanced life support skills (ALS).

The new brush fire truck is 99% completed and is in service. Firefighter David Betzer over saw the construction and did much of the work himself. Firefighters Jim Welsh and Mike Graca assisted him on this project which saved the community approximately $60,000.00.

The Depot Street Fire Station #2 and Bay Road Fire Station #3 were alternately closed for one month periods due to the 1991 reduction in force of 2 Firefighters and a lack of adequate overtime funding. The Depot Street Fire Station was closed for 87 days and 86 nights. The Bay Road Fire Station was closed for 96 days and 90 nights. In total, one of our three fire stations was closed for 183 days and 176 nights. The run volumes in these districts are high, and consideration should be made to fully man these stations year round.

The Fire Prevention Division, under Captain John Webster conducted the numerous fire inspections required by State Law. State Police Trooper Michael Dorn of the State Fire Marshal Division-Bristol County, continues to have a satellite office at Station #3. This enable us to obtain instant assistance and information on questions involving State Fire Laws and Regulations.

Fire Prevention Week was observed in October. Firefighters Jeffrey Webster and David Beals brought the fire safety message to all Elementary Schools and Day Care Centers. Fire Safety and fire extinguisher training was provided for local nursing home staff and regional school bus drivers.

The Fire Alarm Division, under Deputy Norman McNeill has continued to update the fire alarm system.

Our training continued to increase during 1994 under the direction of department Training Officer Captain John Howard. Fire personnel attended the State Fire Academy and the National Fire Academy, in Emmitsburg, Maryland this year.

Thought must be given by Town Officials toward regular replacement of our fire apparatus. I have proposed to the Capital Budget Committee and the Town Administrator that we start a 5 year replacement program for pumping engines. The town must also consider the purchase of a replacement for the 1969 Ladder truck. Although this was repowered with a new motor and used transmission 3 years ago, the other components of the truck are showing wear, and parts may be unobtainable or obsolete.

The officers and firefighters of this department have donated many hours of their own time attending training courses in advanced fire fighting and medical techniques in order to perform their tasks in an efficient manner. I would again like to recognize and thank all thirty-one (31) of them for their contribution in making the Easton Fire Department the professional and well educated organization it is.

Firefighter John Melin retired at the end of July, 1994 after 40 years of duty with the department. Although he will be missed on the Fire Department, he will continue to work for the Town in the capacity of Animal Control Officer. Good luck John.

I would like to publicly thank my Executive Assistant Lillian McGranachan, and all the Fire Officers and Firefighters of this department for the assistance they have provided me throughout this past year.

In closing, I would also like to thank all of the Easton citizens, officials, boards, committees and other town departments who have come to our assistance this past year.

Respectfully submitted,

Phillip E. Blye, Chief
Easton Fire Department

1994 ANNUAL REPORT OF

THE POLICE DEPARTMENT

To The Honorable Board of Selectmen:

I respectfully submit the Annual Report for the Year 1994.

I am pleased to report that crime has gone down significantly in certain areas: Break & Entry Residence, Break & Entry Attempts, Larceny of Motor Vehicles and Attempted Larceny of Motor Vehicles.

I believe that this is due partly to the grant funds we received in 1994:

State Community Oriented Policing Grant	$50,681.49
State Grants for D.A.R.E.	$37,918.00
State Grant for Seat Belt Enforcement	$ 3,000.00

With the Community Oriented Policing grant funds we were able to conduct Crime Watch programs, condo patrols and training for the elderly and the women in our Town. Another factor was significant arrests in these areas. Our detectives have also done a remarkable job.

Bicycle Patrol was implemented patrolling the park areas and malls. We have twelve men that participate in this program.

The D.A.R.E. grant funds were used for a D.A.R.E. summer camp program and to assist with D.A.R.E. activities.

The traffic citations issued this year were up and this helps make the roads in Easton safer. The increase in accidents was due mainly because of the severe winter we had. The good news is that personal injury accidents have only increased by seven despite an overall increase in accidents by seventy-one.

We had an increase this year in twenty categories. The most noticeable are: Break & Entry Business, Noise Complaints, Alarms, Annoying Phone Calls and Animal Complaints.

The demand for services will continue to grow as our population increases. Our department is pleased with the decreases in major crime areas. We are effectively handling the demand for services due to several major factors:

1. Training every member of our department in Community Oriented Policing.
2. High morale and motivated officers.
3. High involvement with the community using a team approach.
4. High demand backed up with high support from the Town Administrator and the Board of Selectmen.

Two civilian dispatchers were added to our department this year. They have been certified by the State and will be receiving training in order to eventually dispatch for the fire department.

Our new D.A.R.E. Officer Patrick Brophy has done an excellent job with our grade schools. This year Michael Fox started a D.A.R.E. program for the high school. Michael Fox has been appointed as our Juvenile Detective working the four to midnight shift.

A special thanks to the citizens of Easton and the many organizations and other departments that have assisted us.

A reminder to all of the parents to continue supporting their children. Get involved and realize what they are going through. They need your understanding and time not just criticism. The best training you can provide is setting a good example.

EASTON POLICE DEPARTMENT

MISSION STATEMENT

"The mission of the Easton Police Department is to protect life, property and the constitutional rights of all our citizens. This goal can be achieved by working in harmony with the community we serve, committed to the conviction that together we have real power over the formation of our own destiny."

Respectfully submitted,

CHIEF STANLEY BATES

1994 ANNUAL REPORT OF

THE ANIMAL CONTROL OFFICER

This year our Animal Control program now consists of two part-time Animal Control Officers. The first three months of this year I worked alone. There were two other members on our department who chose to seek full-time employment, Mary Ellen Degan and Dennis Sims. We would like to thank them for their participation in our program. We are advertising now for a replacement and soon hope to be back to two Animal Control Officers.

This year was a busy year for us. Our Town was declared a rabid Town in July. We have had seven positive cases of animals with rabies. Three rabies clinics were set up at the Police Station. Information was disseminated to the papers regarding numerous concerns with animals.

I attended the State Wildlife School in Westboro and was certified. I also attended the Massachusetts Criminal Justice Animal Control Certification Course in Burlington.

Our department is one of the best equipped in the State. We have a new animal control van with three compartments. We have installed an outdoor cage at the Police Station as a holding facility. We have encouraged citizens to adopt stray animals and have been successful in this endeavor.

We look forward to becoming more involved with the general public with free training and clinics. Educating the public is a major goal of this department. We also want to urge citizens to be prompt in licensing their animals to avoid penalties.

I would like to thank the Town Administrator and the Board of Selectmen for their support. Special thanks to The Board of Health and the Police Department, Department of Public Works and the Fire Department for their cooperation.

Respectfully submitted,

John Melin
Animal Control Officer

1994 ANNUAL REPORT OF

SELF HELP INCORPORATED

Report to the Town of Easton

Self Help, Inc., is greater Brockton's and Attleboro's anti-poverty agency dedicated to improving the quality of life of limited-income individuals and families, and making all segments of the community responsive to the needs of the limited-income, disadvantaged and minority populations.

During the program year ending September 30, 1994, Self Help received a total funding of approximately $9.6M and provided direct services to 43,436 limited-income households in the area.

In the Town of Easton, 711 households received direct services totalling $109,649 during the program year 1994.

The total funding of $9,634,409 does not tell the real value of human services delivered to the area as a whole. Self help's funding enabled us to mobilize an additional $2,388,738 of other community resources, such as; contributions from the towns, volunteers donation of space, and private donations. The gross value of Self Help Incorporated during the past program year was $12,283,371.

Self Help currently employs 225 individuals, many of whom are of limited income and minorities.

We feel that 10/1/93 through 9/30/94 was a successful program year for us because we were able to assist as many limited-income individuals as we did, despite the uncertainties and decreases in fundings we experienced. We thank all the volunteers, Board of Selectmen and their representatives to our Board of Directors, for helping to make our year a success.

Respectfully submitted,

Ulysses G. Shelton, Jr.
Executive Director

TOWN OF EASTON
COMMONWEALTH OF MASSACHUSETTS

WARRANT FOR ANNUAL TOWN MEETING
MONDAY APRIL 11, 1994

BRISTOL, SS.

To either of the Constables of the Town of Easton in the County of Bristol: Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and Town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 11th day of April, next, at 7:00P.M., then and there to act upon the following articles.

The 269th Annual Town Meeting was called to order at 7:15 p.m. by Moderator Richard C. Dailey with quorum present. Kenneth Wood, Recreation Director thanked the voters for their assistance with the Easton Pantry and spoke of the upcoming Recreation programs. The following named persons were voted into the hall: Non-Residential Department Heads: Anne Carney, Assistant Assessor; Ernest Camara, Town Accountant; Cynthia Curry, Treasurer/Collector; William Simmons, School Superintendent; Wade Saucier, Health Director. Other Town Officials/Employees: Barbara Katz, Librarian; Robert Berg and William Ames, Library Trustees; Eric Davis, Computer Consultant; Andrew Miller, School Principal and Judy Fredericks, Assistant School Superintendent/Principal. Microphone Carriers: Kristen Rindini, Ken Huffenus; Others: Aaron Nicodemus, Easton Journal; Kerri Kozaka, Brockton Enterprise; David Strong, 164 Lincoln Street, new resident. Later in the evening, Enterprise Photographer Dick Fallon was allowed into the hall.

Upon the request of Selectman Kathleen McDonald, the voters present stood and recited the Pledge of Allegiance.

There was a motion to use the Lottery System for the articles. An amendment to do the financial articles sequentially was a vote as well as the amended main motion. The Articles were taken up in the following order: 12, 30, 29, 28, 26, 5, 6, 10, 13, 14, 15, 16, 18, 19, 27, 31, 9, 3, 1, 2, 8, 4, 11, 20, 7, 17, 22, 23, 24, 25, 32. For reporting purposes the Articles will remain in numerical order.

ARTICLE 1. To see if the Town will vote to accept the reports of the Selectmen, Town Administrator, Assessors, Board of Health, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Director of Public Works, and other Departments, Boards and Committees of the Town, or take any other action relative thereto. (Submitted by Board of Selectmen)

The Historical Commission Report was corrected to read the winners of the Logo Contest, Junior Division as follows: Alyscia Juzukonis, Second Place and Hillary Andrus, Third Place. ***UNANIMOUS VOTE AS AMENDED.***

ARTICLE 2. To see what sum of money the Town will vote to instruct the Assessors to use from Surplus Revenue to reduce the tax levy for the current year, or take any other action relative thereto. (Submitted by Board of Selectmen) ***DISMISSED.***

ARTICLE 3. To see if the Town will authorize the Collector/ Treasurer to enter into compensating balance agreements during Fiscal 1995, as permitted by Massachusetts General Laws, Chapter 44, Section 53F, or take any other action relative thereto. (Submitted by Board of Selectmen) ***UNANIMOUS VOTE.***

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contracts for the expenditure of any funds allocated by the Commonwealth for the construction, reconstruction or improvements of the public roads, or take any other action relative thereto. (Submitted by Board of Selectmen) ***UNANIMOUS VOTE.***

ARTICLE 5. To see if the Town will vote to appropriate by transfer from available funds, a sum of money to be placed in the stabilization fund, or take any other action relative thereto. (Submitted by Board of Selectmen)

VOTED to appropriate by transfer from Free Cash the sum of $75,000 to be placed in the Stabilization Fund. ***UNANIMOUS VOTE.***

ARTICLE 6. To see if the Town will vote to appropriate by transfer from available funds a sum of money to be placed in a Pension Reserve Fund pursuant to the provisions of Mass General Law Ch. 40, Sec 5D, or take any other action relative thereto. (Submitted by Board of Selectmen)

VOTED to appropriate by transfer from Overlay Surplus the sum of $200,000 to be placed in a Pension Reserve Fund in accordance with the provisions of Mass. General Law Chapter 40, Section 5D. ***UNANIMOUS VOTE.***

ARTICLE 7. To see if the Town will vote pursuant to the provisions of M.G.L. c. 44, section 53E 1/2, to authorize the Board of Health to set up a revolving fund for Fiscal 1995, which shall be accounted for separately from all other monies for the Town, to which shall be credited only departmental fees and receipts from private septage haulers, to be known as "Private Septage Haulers' Account", and funds from said account may be paid out to any city, town, or septage district, approved by the Commonwealth, under the provisions of M.G.L. c. 111, section 31D, pursuant to a contract executed between said city, town, or septage district, and the Easton Board of Health, under M.G.L. c. 40, section 4, with said fees and receipts to be expended for septage treatment and administrative costs related there to without further appropriation, and with such authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1. The revolving fund may be expended only for the purpose of paying for the treatment of septage by any such city, town, or septage district, that a contract hereunder is entered into, with, and for administrative costs related thereto;

2. Only fees and receipts received from properly authorized septage haulers shall be deposited in said account;

3. The Board of Health shall be the only body authorized to expend such fund, and

4. The amounts expended from the Fiscal 1995, "Private Septage Haulers' Account", shall not exceed the total fees and receipts received by the Board of Health, from private septage haulers during said Fiscal 1995.

or take any other action relative thereto. (Submitted by the Board of Health) ***UNANIMOUS VOTE.***

ARTICLE 8. To see if the Town will vote pursuant to the provisions of M.G.L. c. 44, section 53E 1/2, to authorize the Board of Health to set up a revolving fund for Fiscal 1995, which shall be accounted for separately from all other monies for the Town, to which shall be credited only departmental fees from holders of any food permits to be known as "Food Inspection Account" and funds from said account may be paid out to any qualified Food Inspector, approved by the Commonwealth, under the provisions of M.G.L. c. 111, section 31D, pursuant to a contract executed between said Food Inspector, and the Easton Board of Health, under M.G.L. c. 40, section 4, with said fees and receipts to be expended for Food Inspections and administrative costs related thereto without further appropriation, and which said authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1.The revolving fund may be expended only for the purpose of paying for food service inspections by any Food Inspector, that a contract hereunder is entered into, and for administrative costs related thereto;

2.Only fees received from properly permitted food establishments shall be deposited in said account;

3.The Board of Health shall be the only body authorized to expend such fund, and

4.The amounts expended from the Fiscal 1995, "Food Inspectors Service Account", shall not exceed the total fees and receipts received by the Board of Health, from food establishments during said Fiscal 1995.

or take any other action relative thereto. (Submitted by the Board of Health) ***UNANIMOUS VOTE.***

ARTICLE 9. To see if the Town will vote pursuant to the provisions of M.G.L. c.44, section 53E 1/2, to authorize the Board of Health to establish a revolving fund for Fiscal 1995, which shall be accounted for separately from all other monies for the Town, to which shall be credited only departmental fees from Plumbing Permits to be known as "Plumbing Inspector Account", and funds from said account may be paid out to the Plumbing Inspector of the Town of Easton, with said fees to be expended for the salary and expenses of the Plumbing Inspector,

and administrative costs related thereto without further appropriation, and which said authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1. The revolving fund may be expended only for the purpose of paying the salary and expenses of the Plumbing Inspector who is appointed by the Board of health, and for administrative costs related thereto;

2. Only fees received from Plumbing Permits shall be deposited in said account;

3. The Board of health shall be the only body authorized to expend such fund, and

4. The amounts expended from the Fiscal 1995, "Plumbing Inspector Account", shall not exceed the total receipts from fees received by the Board of Health, from Plumbing Permits during said Fiscal 1995.

or take any other action relative thereto. (Submitted by the Board of Health) ***VOTED.***

ARTICLE 10. To see if the town will vote to authorize the Conservation Commission to expend a sum of money from the "Reserve for Appropriation for Wetlands Protection Fund" account, those sums collected pursuant to Chapter 287, Section 54, of the Acts of 1989, which provides that the Town's share of the Notice of Intent Filing Fees under the Wetlands Protection Act shall be expended solely for the performance of its duties associated with administering the Act, or take any action thereon. (Submitted by Conservation Commission)

VOTED to appropriate the sum of $3,791 as authorized by Chapter 287 Section 54 of the Acts of 1989 from the "Reserve for Appropriation for Wetlands Protection Fund" for expenditure by the Easton Conservation Commission related to the performance of its duties pursuant to the Wetlands Act. ***UNANIMOUS VOTE.***

ARTICLE 11. To see if the Town will vote to authorize the Conservation Commission, pursuant to M.G.L. Ch. 44, section 53E 1/2, to set up a revolving fund for Fiscal 1995, known as the "Filing Fee and Professional Service Conservation Account", which shall be accounted for separate from all other monies of the Town, and to which are to be deposited departmental fees and Determinations, to pay for the reasonable costs and expenses of the Commission for expert engineering and consultant services deemed necessary by the Commission to aid it in making its decisions on such applications, and for administrative costs related thereto with said departmental fees and receipts to be expended without appropriation, and with such authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1. The revolving fund shall be expended only for the purpose of paying for the services of expert engineers and consultants, and for administrative costs related thereto as deemed necessary by the Commission to aid it in making its decisions on such conservation applications;

2. Only fees and receipts received from applicants for Conservation Permits, or Application for "Requests for Determination", shall be deposited in such account;

3. The Conservation Commission shall be the only Town body authorized to expend such fund, and

4. The amounts expended from Fiscal 1995, "Filing Fee and Professional Service Conservation Account", shall not exceed the total fees and receipts received by the Conservation Commission, from Applicants for Conservation Permits, or Applicants for "Requests for Determination", during said Fiscal 1995.

or take any other action relative thereto. (Submitted by Conservation Commission) ***UNANIMOUS VOTE.***

ARTICLE 12. To see if the Town will vote to appropriate a sum of money to be placed in the Conservation Commission Fund previously established under Chapter 40 Section 5 of the Mass. General Laws for use by the Conservation Commission in accordance with said General Laws and to determine whether the money shall be provided by taxation, by appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or take any other action relative thereto. (Submitted by Conservation Commission) ***DISMISSED.***

ARTICLE 13. To see if the Town will vote to raise and appropriate, appropriate by transfer from available funds, or authorize borrowing pursuant to the provisions of M.G.L. Ch.44 the following sums of money for the departments and purposes noted:

or take any other action relative thereto. (Submitted by Capital Planning Comm./TownAdm.)

VOTED to appropriate the sum of $880,408 of which $471,487 shall be raised by taxation, $190,921 shall be transferred from Free Cash, $13,000 shall be transferred from the Stabilization Fund, $80,000 shall be raised from Water Receipts, and $125,000 shall be transferred from Water Surplus, all for the purposes noted in the Warrant. ***UNANIMOUS VOTE.***

ARTICLE 14. To see if the Town will vote to appropriate a sum of money for the purpose of refurbishing and installing new water mains and related appurtenances and to repair, restore or construct roadways, drainage systems or culverts and to authorize the Board of Selectmen, acting as Water Commissioners, to enter into and execute contracts to effect the purpose of this article, to apply for and utilize federal and/or state funds to the extent they are available and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of M.G.L. Ch. 44 or to take any other action relative thereto. (Submitted by Capital Planning Comm./Town Adm.)

VOTED that $550,000 is appropriated for laying and relaying water mains, and in connection therewith restoring and repairing roadways, drainage systems and culverts; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow $550,000 under Mass. General Laws Chapter 44, Section 8(5); and that the Selectmen, acting as Water Commissioners, are authorized to contract for and expend any Federal or State Aid available for this project. ***UNANIMOUS VOTE.***

ARTICLE 15. To see if the Town will vote to appropriate a sum of money for the purpose of making certain repairs to the masonry and other portions of the NEG and Lincoln Intermediate Schools, and to determine whether the money will be provided by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of M.G.L. Ch. 44 or to take any other action relative thereto. (Submitted by Capital Planning Comm./Town Adm.)

VOTED that $120,000 is appropriated for making extraordinary repairs to the masonry and other portions of the NEG and Lincoln Intermediate Schools; and that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow $120,000 under Mass. General Laws Chapter 44, Section 7(3A). ***UNANIMOUS VOTE.***

ARTICLE 16. To see if the Town will vote to appropriate a sum of money for the purpose of producing aerial maps of the Town, for production of Assessors Maps, and for production of related maps and other services related there to and to determine whether the money will be provided by taxation, by transfer from available funds in the Treasury or by borrowing under the provisions of M.G.L. Ch. 44 or to take any other action relative thereto. (Submitted by Capital Planning Comm./Town Adm.) ***DISMISSED.***

ARTICLE 17. To see if the Town will vote to authorize the Planning & Zoning Board, pursuant to the provisions of M.G.L. c. 44, Section 53E 1/2, to set up a revolving fund for Fiscal 1995, known as "Subdivision Inspection Fees", which shall be accounted for separate from all other monies of the Town, and to which are to be deposited fees received from applicants for subdivision approval for inspections during construction, to pay for the reasonable costs and expenses of the Board for expert engineering and consultant services and administrative costs related thereto, as deemed necessary by the Board with said fees to be expended without appropriation, and with such authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1. The revolving fund shall be expended only for the purpose of paying for the services of expert engineers and consultants, and related administrative costs, deemed necessary by the Board to pay for the reasonable costs and expenses of inspections during construction;

2. Only fees received from applicants for inspections during construction shall be deposited in such account;

3. The Planning & Zoning board shall be the only Town body authorized to expend such fund, and

4. The amounts expended from Fiscal 1995 "Subdivision inspection Fees" shall not exceed the total fees received by the Planning & Zoning Board from applicants for subdivision inspections during said Fiscal 1995.

or take any other action relative thereto. (Submitted by Planning & Zoning Board) ***VOTED.***

ARTICLE 18. To see if the Town will vote to appropriate by transfer from available funds a sum of money to supplement existing budgets for the fiscal year 1994 budget, or take any other action relative thereto. (Submitted by Board of Selectmen)

VOTED to appropriate by transfer from Free Cash the sum of $7,186, for the purpose of supplementing the FY '94 Budgets of the Tax Collector in the amount of $5,746 and the Board of Appeals in the amount of $1,440. ***UANIMOUS VOTE.***

ARTICLE 19. To see if the Town will vote to raise and appropriate or appropriate by transfer such sums as may be necessary to pay bills incurred in a prior fiscal year, or take any other action relative thereto. (Submitted by Board of Selectmen) ***DISMISSED.***

ARTICLE 20. - To see if the Town will vote to amend the General By-Laws of the Town, by adding a new Article "Article 29A - Regulation Regarding the Siphoning of Water from Surface and Subsurface Water of the Town of Easton".

Section 1 - Purpose

The purpose of this by-law is to recognize the existence of several aquifers which serve as the source of drinking water for the inhabitants of the Town of Easton and that contamination of any pond, stream, rivers, surface or subsurface water of Easton would pose a significant hazard to the health of the inhabitants of the Town.

Section 2 - Regulation

A. The siphoning of water from any pond, stream, river, water course, surface or subsurface water into a tank vehicle, or into any tank contained in or on a vehicle, shall be prohibited in the Town of Easton. This regulation shall not apply to municipal fire apparatus.

B. There may be designated a public water hydrant or other public water outlet in Easton to furnish water to a tank vehicle or such tank. The said hydrant or outlet shall not allow any backflow into the public water system and shall be under the supervision and control of the Water Commissioners or their designee. Water furnished from said hydrant or outlet shall only be used within the Town of Easton's boundaries.

C. This by-law shall be in addition to any other rule, regulation or law relating to the use or protection of water or wetlands.

D. The Department of Public Works, Water Division shall have the power hereunder to draft further rules and regulations relative to the use of public water hydrants in the Town.

Section 3 - Enforcement

A. Any person, firm, partnership, corporation or other legal entity who violates Section 2 of this by-law shall be subject to a fine of $200.00 for each offense.

B. This by-law shall be enforced by members of the Easton Police Department or the Easton Water Division.

C. As an alternative to criminal prosecution in a specific case, the enforcing officer may issue a citation under the non-criminal disposition procedure set forth in M.G.L. c. 40, S. 21D, and adopted by the Town of Easton as a general by-law.

or take any other action relative thereto. (Board of Water Commissioners) *(An amendment to delete from Section 2A the words "or subsurface water" was not a vote.) (A motion to Table was not a vote.)* ***MAJORITY VOTE.***

ARTICLE 21. To see if the Town will vote to accept the nonbinding reports of the Planning & Zoning Board concerning its recommendations in regard to the proposed amendments of the Zoning By Law and Zoning Map to be voted on under Articles 22, 23, 24, and 25 or take any other action relative thereto. (Vote hereunder is acceptance of the written report, but not of recommendations contained therein). (Submitted by Planning & Zoning Board) ***VOTED.***

ARTICLE 22. To see if the Town will vote to accept the proposed amendment of the "Zoning By Law of the Town of Easton" by:

1. In SECTION II, DEFINITIONS, after the definition of "Open Space", add the following new definition:

"OUTSIDE DINING FACILITY: An accessory use of a restaurant or eating establishment where seating and/or other facilities are provided on the premises for the consumption of food and/or beverages with table service outside of the confines of the building structure."

2. In SECTION V, USE REGULATIONS, Subsection 5-3. TABLE OF USE REGULATIONS, PRINCIPAL USES, delete paragraph E. 3) in its entirety and insert in place of the following:

"3) Drive-in, open-air restaurant, outside dining facility, or other establishment providing food and beverages with no live or mechanical entertainment-----N N SP N SP N SP N",

or take any other action relative thereto. (Submitted by Planning & Zoning Board) *(An amendment to change Section 3 of first "SP to "Y" was not a vote.)* ***UNANIMOUS VOTE.***

ARTICLE 23. To see if the Town will vote to amend the Town of Easton, Massachusetts Zoning Map dated August 12, 1993 (original date March 7, 1973) as follows:

By changing the zoning of a certain parcel of land now owned by the Town of Easton under the control of the Conservation Commission, and described as follows, from Residential to Municipal and Open Space:

A certain parcel of land shown as Lot 7 on a plan entitled "Bradford Glen" Definitive Subdivision Plan, Easton, Mass., located off Bradford Street, consisting of 3.67 acres, as shown on Assessors Map R16-105,

or take any other action relative thereto. (Submitted by Planning & Zoning Board) ***UNANIMOUS VOTE.***

ARTICLE 24. To see if the Town will vote to accept the proposed amendment of the "Zoning By Law of the Town of Easton" by:

In SECTION V, USE REGULATIONS, Subsection 5-3. TABLE OF USE REGULATIONS, PRINCIPAL USES, Paragraph B. 9) change SP and N to Y,

or take any other action relative thereto. (Submitted by Planning & Zoning Board) ***UNANIMOUS VOTE.***

ARTICLE 25. To see if the Town will vote to amend the "Town of Easton, Massachusetts Zoning Map" dated August 12, 1993 (original date March 1973) as follows:

By Changing the zoning of certain land owned by:

Thomas R. Gallagher and Mary E. Gallagher located at 549 Washington Street as shown on Assessors Map U33, Lot 21A,
and
Douglas A. King and Jose Gonsalves located on Washington Street known as the "Villa Rosa" property as shown on Assessors Map 33, Lot 5

so that the Business zoning encompasses the entire property,

or take any other action relative thereto. (Citizen Petition) ***DISMISSED.***

ARTICLE 26. To see if the Town will vote to raise and appropriate or appropriate by transfer, such sums as may be necessary to defray the Town charges for the ensuing Fiscal Year including the salaries of the several elected and appointed officers of the Town, and make appropriations for same, or take any other action relative thereto. (See Budget at end of Warrant) (Submitted by Board of Selectmen)

VOTED to appropriate the sum of $25,989,626 of which $16,531,284 shall be raised by taxation, $5,255,107 will be raised from State Aid, $2,115,835 will be raised from Local Receipts, $1,395,358 will be raised from Water Receipts, $100,000 will be transferred from Free Cash, $402,042 will be raised by Offset Receipts, and $190,000 will be transferred from Ames Trust Funds Proceeds as follows:

UNANIMOUS VOTE.

ARTICLE 27. To see if the Town will vote to appropriate a sum of money to pay for legal fees incurred by the Town Administrator in defending himself against certain unfounded complaints relating to the Office of Town Administrator, and to determine whether the money shall be provided by taxation or by appropriation from available funds in the Treasury, or to take any other action relative thereto. (Submitted by Board of Selectmen)

Moderator Dailey excused himself from moderating this article. Deputy Moderator John Creedon presided over the discussion and vote.
VOTED to appropriate by transfer from Free Cash the sum of $9,946 to pay for legal fees incurred by the Town Administrator in defending himself against certain unfounded complaints relating to the office of Town Administrator. ***VOTED - 276 YES, 55 NO.***

ARTICLE 28. To see if the Town will vote to appropriate the sum of $10,000.00 to help provide activities for Easton's Youth programs from kindergarten age through high school. This program would be under the control of the Easton Recreation Commission. To start to make a difference in our community giving them positive programs such as re-establishing a park program, swimming programs, bus trips activities, movies, Kids programs in the Park, youth concerts, part time staff to coordinate summer programs and rental or fees of a facility for youth activities within the town. The Recreation Commission will work hand in hand with the Easton Community Council.

The town to determine whether the money shall be provided by Taxation or by appropriation from available funds in the Treasury or by borrowing under the provisions of M.G.L. Chapter 44, or to take any other action relative thereto. (Submitted by Easton Recreation Commission)

VOTED to appropriate by transfer from Free Cash the sum of $10,000 for the purpose of allowing the Easton Recreation Commission to conduct certain recreation programming in cooperating with the Easton Community Council. (A previous unanimous vote to transfer the money from the Stonehill College Donation (Total of $18,000 - $10,000 for recreation and $8,000 for Library) was reconsidered and voted from Free Cash.) ***UNANIMOUS VOTE.***

ARTICLE 29. To accept the provisions of Section 83 of Chapter 71 of the Acts of 1993, as amended, known as the "Education Reform Act of 1993," to provide an Early Retirement Incentive Program for the members of the Massachusetts Teachers' Retirement System employed by the Easton Public Schools, with said program to include a five-year additional credit for age, service, or a combination thereof, and to take any other action relative thereto. (Submitted by School Committee) ***DISMISSED UNANIMOUSLY.***

ARTICLE 30. To see if the Town will vote to accept the provisions of M.G.L., Ch. 272, Sec. 73A, which provides that the provisions of section seventy-three shall not prohibit the removal, in accordance with rules and regulations promulgated by the state secretary, of a gravestone or other structure or thing which is placed or designed as a memorial for the dead, for the purpose of repair or reproduction thereof by community sponsored, educationally oriented, and professionally directed repair teams, or to take any other action relative thereto. (Submitted by Board of Selectmen) ***UNANIMOUS VOTE.***

ARTICLE 31. To see if the Town will vote to raise and appropriate, appropriate by transfer from available funds or authorize borrowing pursuant to the provisions of M.G.L. Ch. 44 a sum of money to fund the purchase of a used landfill packer, and the purchase of a roll-off compactor or to take any other action relative thereto. (Submitted by Board of Selectmen)

VOTED to appropriate by transfer from Free Cash the sum of $24,500 for the purpose of purchasing a used packer truck and for purchasing a compactor container and for costs related to putting the compactor container into operation. ***UNANIMOUS VOTE.***

ARTICLE 32. To transact any other business that may legally come before said meeting.

At 11:41 p.m., the business being concluded, Moderator Dailey declared the 1994 Annual Town Meeting ***DISSOLVED****. Total voters present - 459.*

(Submitted by Board of Selectmen)

VOTED to transfer from Free Cash the sum of $1,000 to fund contract provisions negotiated between the Board of Selectmen and Town Administrator. ***MAJORITY VOTE.***

ARTICLE 19. To See if the Town will vote to raise and appropriate or appropriate by transfer from available funds, a sum of money for the purpose of supplementing an appropriation made under Article 13 of the April 11, 1994 Annual Town Meeting for the purpose of purchasing a 1995 one-ton truck chassis and plow or take any other action relative thereto. (Submitted by Board of Selectmen)

VOTED to appropriate by transfer from Free Cash the sum of $10,000 to supplement a capital budget appropriation made under Article 13, of the April 11, 1994 Annual Town Meeting, for the purpose of purchasing a 1995 one-ton truck, cab and chassis and plow. ***UNANIMOUS VOTE.***

ARTICLE 20. To see if the Town will vote to amend the vote under Article 11 of the Annual Town Meeting of 1994, and substitute therefor the following vote:

"That the Conservation Commission be authorized pursuant to M.G.L. C. 44 sec. 53E 1/2, to set up a revolving fund for Fiscal 1995, to be known as the 'Filing Fee and Professional Service Conservation Account', which shall be counted for separate from all other monies of the Town, and in which shall be deposited departmental fees and determinations, to pay for the reasonable costs and expenses of the commission for engineering, legal and other such consultant services deemed necessary by the commission to aid it in making its decision on such application, or in enforcement cases where such applications should have been legally filed, or for other such enforcement actions, and for the administrative costs related thereto, with said departmental fees and receipts to be expended without appropriation, and with such authorization to be made upon the recommendation of the Board of Selectmen, and to specify as follows:

1. The revolving fund shall be expended only for the purpose of paying engineering, legal, and other such consultant services, and the administrative costs related thereto, as deemed necessary by the commission to aid it in making its decisions on such conservation applications, or on necessary enforcement actions.

2. Only fees and receipts received from applicants for Conservation permits or applications for "Requests for Determination", shall be deposited in such account;

3. The Conservation Commission shall be the only Town body authorized to expend such fund, and

4. The amounts expended from Fiscal 1995, "Filing Fee and Professional Service Conservation Account", shall not exceed the total fees and receipts received by the Conservation Commission from applicants for "Requests for Determination", during said Fiscal 1995, and the sums remaining in said account from other fiscal years".

Or take any other action relative thereto. (Submitted by Conservation Commission) ***UNANIMOUS VOTE.***

ARTICLE 21. To see if the Town will vote to appropriate by transfer from available funds a sum of money for the purpose of paying the costs of developing a library program including but not limited to consulting services, assessing public opinion, site visits, and feasibility studies or take any other action relative thereto. (Submitted by Board of Library Trustees)

ARTICLE 32. To see if the Town will vote to amend the General By-Laws of the Town by inserting a new article to read as follows:

"Article 42 Prohibition Regarding the Sale of Cigarette Rolling Papers

No person or business shall sell, or offer for sale, nor display any cigarette rolling paper in the Town of Easton. Any person or business which violates this By-Law shall be punished by a fine of $50.00 for each offense." (Submitted by Board of Selectmen/Easton Community Council)

AMENDED. VOTED to amend the General By-Laws of the Town by inserting a new Article to read as follows: "Article 42 -Prohibition Regarding the Sale of Cigarette Rolling Papers. No person or business shall sell, or offer for sale, nor display for sale any cigarette rolling paper in the TowN of Easton. Any person or business which violates this by-law shall be punished by a fine of $50.00 for each offense." ***MAIN MOTION AS AMENDED YES 94, NO 49.***

An additional amendment to include cigarettes was deemed by Town Counsel to be outside the scope of the article and was not accepted.

The first voice vote on the amended main motion was challenged and a standing count was taken. The following counters were duly sworn by Town Clerk Janet T. Andrus: Robert Hicks, Michael Sites, Wayne Southworth, David Gardner, John Kent and Harold Silverman. The standing count was 94 yes, 49 no.

The meeting was adjourned at 9:21 P.M. The total voters present this evening was 240.

A true record. Attest:

You are directed to serve this warrant by posting attested copies thereof one at each meeting house and post office of the Town and one at the Oliver Ames High School Auditorium and one at the Town Offices, fourteen days at least before the time of holding said meeting.

Given under our hands this 24th day of October in the year nineteen hundred and ninety-four.

Patricia F. Hunt
Jeffrey L. Tufts
William D. Hardin
Frederick W. Clark
Daniel W. Churchill
BOARD OF SELECTMEN

BRISTOL, SS. EASTON, MASS. OCTOBER 27, 1994

By virtue hereof and as within directed, I have this day posted attested copies of this Warrant.

James A. Carey
Constable of Easton

A True Copy. Attest:

Janet T. Andrus, CMC
Town Clerk of Easton

IN CASE OF A SEVERE STORM OR OTHER EMERGENCY

When an emergency condition is created by a severe storm, lack of electricity, lack of heat, or any other life threatening situation, please do the following:

CALL THE POLICE DEPARTMENT AT 230-3322
TO DETERMINE THE LOCATION OF THE EMERGENCY SHELTER.
TO MAKE TRAVEL ARRANGEMENTS IF NECESSARY, OR TO CALL FOR AN AMBULANCE.

BRING THE FOLLOWING:
A PILLOW
A BLANKET
A COAT OR JACKET
ENOUGH PRESCRIPTION MEDICINE TO LAST 48 HOURS
BRING ONLY NECESSITIES.

DO NOT BRING THE FOLLOWING:
ALCOHOLIC BEVERAGES
PETS

WINTER WORDS OF WARNING-
* Freezing Rain or Drizzle: Ice coating is expected.
* Heavy Freezing Rain or Drizzle: Weight of the snow can cause extra damage.
* Snow: Steady snowfall unless the words Occasional or Intermittent are used.
* Heavy Snow: Where 4 to 6 or more inches are expected in a 12 hour period, or 6 inches are expected in a 24 hour period.
* Snow Flurries: Intermittent Snow that may reduce visibility.
* Snow Squalls: Brief, intense snowfall with gusty winds
* Blowing or Drifting Snow: Strong winds, poor visibility for a lengthy period of time.
* Blizzard: Wind speeds of 35 mph or greater with steady snowfall and blowing snow.
* Winter Storm Watch: Winter storm approaching.
* Winter Storm Warning: Winter storm imminent.

WINTER STORM SAFETY
* Check battery powered equipment, heating fuel supply, and nonperishable food supplies.
* Dress wisely. Wear layers of clothing. Use mittens not gloves. Cover your mouth to protect your lungs from the cold air. Wear a hat to prevent body heat loss. Go easy when you shovel snow. It's hard work and the strain may injure your back, or it could cause a heart attack.

HURRICANE WARNINGS
Hurricane season typically runs June thru November. Enter the season prepared.

* Fuel your car.
* Leave low-lying areas.
* Leave mobile homes for a more substantial shelter.
* Stay at home if it is sturdy and on high ground.
* Protect your windows with boards, shutters, or tape.
* Secure outdoor objects, or bring them indoors.
* Save several days' water supply in sinks and your tub.
* Stay indoors during the storm.
* Moor your boat securely, and evacuate it.

HURRICANE WATCH: Hurricane conditions pose a possible threat to your area.
HURRICANE WARNING: Hurricane conditions are expected in your area within 24 hours.

REMEMBER: The latest storm related information will be available on commercial radio and television stations, or on NOAA weather radio. Follow the instructions of local officials. You will not be asked to leave your home unless your life is threatened.
